<sup>1/</sup> Excludes payments from private funds.

<sup>2/</sup> Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

<sup>3/</sup> Includes children under State supervision.

#### The JOBS Program

The Temporary Assistance for Needy Families (TANF) program, established by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), required states to provide work and training services to recipients of Family Assistance (FA). Called JOBS in Alabama, the program emphasizes work activities and employment of recipients. Child care and other supportive services are available to JOBS participants. The Deficit Reduction Act of 2005 (DRA) made significant changes to TANF requiring states to operate a more intensive JOBS Program and drastically increased the documentation and tracking requirements.
