

Instructions:

1. Use one coupon each time you send in a payment. Make your check payable to the **State of Alabama, Child Support**.
2. Fill out all the information on the coupon. Failure to include all the information may delay your payment.
3. If you are paying for multiple cases, you must include all of the information for each case. You may send a single check for all the cases, but the amount of the check must be equal to the total of all cases for which you are paying.
