No criteria, other than that identified in this RFP, will be used.

2.1 PROPOSAL EFFECTIVE PERIOD

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn or canceled by the Vendor during this period.

2.3 EMERGENCY AND DISASTER PLANNING

Vendors must include in the response their provision for emergency and disaster planning as required under Alabama Act No. 2006-559.

2.4 TRADE SECRETS

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a "trade secret" by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor's legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. The Vendor's Legal Counsel must use the Department of Human Resources "Affidavit for Trade Secret Confidentiality" form when requesting the trade secret claim. The affidavit form is included in this RFP as *Appendix C*.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a "right to know" (open records) request from another party.

2.5 PRE-SCREENING AND EVALUATION OF PROPOSALS

2.5.1 PRE-SCREENING

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review, proposals will be classified "responsive" or "non-responsive". However; proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive will not receive further consideration.

2.5.2 EVALUATION OF PROPOSALS

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

2.6 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor's expense.

2.7 BEST AND FINAL OFFER

The Department reserves the right to request a "best and final offer" for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their "best and final offer," which must include any and all discussed and/or negotiated changes.

2.8 PUBLIC REQUESTS FOR INFORMATION

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

2.9 COST OF PREPARING A PROPOSAL

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

2.10 DEPARTMENT'S RIGHTS RESERVED

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. 2.10.8 NO GUARANTEE OF CONTRACT

Selection of a proposal shall not be binding upon the Department and may or may not, at the Department's sole discretion, result in the Department entering into a contract with the vendor if it is in the best interest of Department not to proceed with contract execution.

2.10.9 RIGHT TO INVESTIGATE AND REJECT

The Department may make investigations as deemed necessary to determine the ability of the Vendor to perform the services specified. _____ (Affiant), being first duly sworn under oath, and representing
_____ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of _____, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # _____. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
- (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.
