Additional information should be included as necessary to explain in detail the Vendor's cost/price.

1.7.4 TIMELY SUBMITTED PROPOSALS

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

1.7.5 LATE PROPOSALS

Regardless of cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be the Vendor's sole risk to assure delivery at the receptionist's desk at the designated office by the designated time. Late proposals will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

SECTION 2: STANDARD INFORMATION

2.0 AUTHORITY

This RFP is issued under the authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.). Any awards resulting from this RFP will be made based on stated evaluation criteria. The weight assigned to each criterion denotes the relative importance of that criterion. No criteria, other than that identified in this RFP, will be used.

2.1 VENDOR COMPETITION

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies

2.2 NONDISCRIMINATION

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination

2.3 IMMIGRATION STATUS FORM

Vendor's authorized person(s) within the agency must sign and submit *Appendix D* on the IMMIGRATION STATUS of all workers to be employed for the services described in this procurement. Vendors must attest that all workers will be citizens of the United States or at the time of employment will be in a proper and legal immigration status that authorizes them to be employed for pay within the United States.

2.4 PROPOSAL EFFECTIVE PERIOD

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn or canceled by the Vendor during this period.

2.5 TRADE SECRETS

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a "trade secret" by the Vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor's legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. The Vendor's Legal Counsel must use the Department of Human Resources "Affidavit for Trade Secret Confidentiality" form when requesting the trade secret claim. The affidavit form (*Appendix C*) included in this RFP.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a “right to know” (open records) request from another party.

2.6 PRE-SCREENING AND EVALUATION OF PROPOSALS

2.6.1 PRE-SCREENING

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review they will be classified “responsive” or “non-responsive”. However; proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

2.6.2 EVALUATION OF PROPOSALS

All responsive proposals will be evaluation against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

2.7 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor’s expense.

2.8 BEST AND FINAL OFFER

The Department reserves the right to request a “best and final offer” for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their “best and final offer,” which must include any and all discussed and/or negotiated changes.

2.9 PUBLIC REQUESTS FOR INFORMATION

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

2.10 COST OF PREPARING A PROPOSAL

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

2.11 DEPARTMENT'S RIGHTS RESERVED

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. Upon determination such actions would be in its best interest, the Department, in its sole discretion, reserves the right to the following:

2.11.1 PRE-SELECTION DISCRETION

The Department reserves the right at its sole discretion, at any time and for any reason, to reject any or all of the proposals submitted in response to this RFP, or to cancel this RFP, if it is deemed by the Department to be in its best interest to do so.

2.11.2 POST-SELECTION DISCRETION

Upon selection of a proposal, the Department reserves the right, at its sole discretion, at any time and for any reason, to change its decision with respect to the selection and to select another proposal, or to cancel the RFP, if it is deemed by the Department to be in its best interest to do so.

2.11.3 WAIVERS

Notwithstanding the amendment provisions otherwise set forth herein, the Department reserves the right at its sole discretion, to waive any minor irregularity in an otherwise valid proposal which would not jeopardize the overall program and to award a contract on the basis of such a waiver in the event the Department determines that such award is in the best interest of the Department. Minor irregularities are those which will not have a significant adverse effect on the overall program cost or performance.

2.11.4 NEGOTIATIONS

The Department reserves the right to negotiate with any Vendor whose proposal is within the competitive range, as specified in the RFP with respect to technical plan and cost, as well as to select a Vendor other than the Vendor offering the lowest price.

2.11.8 NO GUARANTEE OF CONTRACT

Selection of a proposal shall not be binding upon the Department and may or may not, at the Department's sole discretion, result in the Department entering into a contract with the Vendor if it is in the best interest of Department not to proceed with contract execution.

2.11.9 RIGHT TO INVESTIGATE AND REJECT

The Department may make investigations as deemed necessary to determine the ability of the Vendor to perform the services specified. qualified to carry out the obligations of the contract. This includes the Department's ability to reject the proposal based on negative references.

2.11.10 DISCLAIMER

Issuance of this RFP does not constitute a commitment by the Department to select any proposal submitted in response to the RFP, or to award a contract to any Vendor who responds to this RFP.

Note: All contracts awarded by this Department are subject to review and approval by the Legislative Oversight Committee and the Governor's Office.

The Department reserves the right to disallow any or all indirect costs. However, if the Department approves the costs, such costs may reflect an amount not to exceed the appropriate prorated share of the Vendor's actual federally approved rate or 10%, whichever is less. Vendors submitting a detailed line item "Cost Reimbursement Budget" forms must include the following forms, *as applicable* and descriptions in their proposal, in the following order:

The net cost basis must then be divided by the useful life of the equipment, which is five (5) for both the use allowance and the depreciation allowance, to obtain the annual depreciation amount. Under either option, the proposal must include a copy of the original invoice reflecting the original purchase price, date of purchase and, if available, a statement from the original vendor as to the salvage value of the equipment.

- C. The Statement of Comparable Rent form (See Appendix L) in the event the Vendor's budget includes costs associated with rent or lease. (The budgeted amount must not exceed the lesser of three certified statements completed in accordance with the form's instructions.)

3. A detailed itemized list of the types of supplies, if any, included in the proposed budget;
4. Proposed subcontracts including a narrative of services to be performed by the subcontractor and budgets.

5.3 BUDGET NARRATIVE

Cost Proposals must include a budget narrative, **not to exceed 5 pages**.

5.3.1 DETAILED LINE-ITEM BUDGET

The budget narrative must explain the nature and requisite need for the amounts proposed in each budget line item, explaining the methodology for determining each cost.

- A. The narrative must describe how the proposed personnel costs compare to other personnel costs incurred by the Vendor in other programs, if any, and to similar labor costs elsewhere within the local market.

_____ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of _____, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # _____. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
- (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.

APPENDIX F: COST REIMBURSEMENT BUDGET FORM

SEE EXCEL ATTACHEMENT A

APPENDIX G: INSTRUCTIONS FOR COST REIMBURSEMENT BUDGET FORM

Each line item in the budget must reflect the **total planned combined project cost** for that line item. Page 1 represents a summary of the totals from the remaining pages. All departmental funds are subject to the constraints set forth in the contract, the Contract Compliance Requirements document, all other departmental directives and the instructions set forth herein.

Approval of the budget does not constitute approval to actually incur any expenditure designated as requiring Department's prior written approval. For the budget items so designated, the Department's prior written approval must be obtained before the expense is actually incurred.

PAGE 1

Contract Number: *To be assigned by DHR.*

Taxpayer ID: *Self-explanatory.*

Agency: *Self-explanatory.*

Address: *Self-explanatory.*

Project Title: *Self Explanatory.*

Budget Period: *The period during which the budget will be in effect, normally the fiscal year, October 1 through September 30, unless otherwise advised by the Department.*

Include the totals for the seven budget sections from pages 2-3. In addition, include the following additional items:

8. **TOTAL PROJECT FUNDING:** Enter the sum of lines 1-7. This should reflect the total amount of funds from all funding sources to be used to fund the project.
9. **LOCAL SHARE:** *Enter the total amount of local funds from all non-federal sources (including in-kind contributions) to be used, in whole or in part, to fund the project. Itemize the sources and amounts under the Comments section.*
10. **OTHER FEDERAL SHARE:** *Enter the total amount of federal funds received from sources other than DHR to be used, in whole or in part, to fund the project. Itemize the sources and amounts under the Comments section.*
11. **MAXIMUM DHR SHARE:** *Subtract lines 9 (Local Share) and 10 (Other Federal Share) from line 8 to reflect the maximum DHR share of the total budgeted project funding.*
12. **PERCENT DHR SHARE:** *Enter the DHR share as a percent of the total project funding by dividing line 11 by line 8.*

COMMENTS: Itemize, as applicable, the sources and amounts of all funds represented in lines 9 and 10 above. In addition, include, as applicable, a brief description of the nature of each income-generating activity planned. NOTE: Contractors must obtain the Department's prior approval to earn program income in the course of administering the project. (See the Contract Compliance Requirements document for additional instructions pertaining to earning and accounting for program income.)

Note: on the budget line items represented on pages 2 and 3 of the budget form, designate clearly all budget line items that represent costs in which DHR will not participate in whole or in part, i.e., in-kind costs, unallowable costs, etc. All costs for the line items so designated must be paid in full with non-DHR funds.

PAGE 2

- A. **Number of Persons** – List the number of persons having same position, salary, percent (%) time worked on project, and months or pay periods to be employed.
- B. **Position** – Give the Position Title. Designate part-time employees by placing (PT) after position title.
- C. **Gross Salary Per Pay Period** – Show total projected salary per pay period (monthly, biweekly, weekly or hourly rate) and indicate the pay period method used. This should reflect the pay period method that will actually be used to pay the employee. Include any anticipated salary increases. When a salary increase is anticipated during budget year, show the position for the number of pay periods at each salary level.
- D. **Percent (%) Time on Project** – Show the percentage of time employee works on this project.
- E. **Pay Periods to be Employed** – Show pay periods to be worked at each salary level.
- F. **Cost** – Multiply $A \times C \times D \times E$ to arrive at Total Cost. Total all staff position costs to arrive at personnel subtotal.
