

- Q1. On the Cover Page, under Instructions to Vendors, Special Instructions**
It says to complete the Proposed Service Summary Form and submit with the original proposal. Is there a specific place within the proposal that this form should be located (i.e. should it be placed after the Cover Page)? Since it is only required to be submitted with the original, do we have to number it? Is it part of the 100 page count?
- R1. Submit one copy of the Proposed Service Summary Form in separate envelope. Using a paper clip attach the envelope to the original proposal. Do not number the Proposed Service Summary Form. This form is not included in the page limit.**

Is it ok to say that a provider will serve all counties in the state of Alabama or do you prefer that all counties be listed separately?
- R2. It is ok for Vendors to serve all counties in the state of Alabama. Vendors may state they will serve "statewide" slots and no need to specify all 67 counties.**
