

*****AMENDMENT #1 TO RFP # 2012-100-04 *****

Please note the change to the document as originally issued. Changes are bolded and underlined.

3.1.4 REQUIRED STAFF AND THEIR QUALIFICATIONS

Employees of established programs who were hired prior to April 24, 2008; who possess a Bachelor's degree from an accredited college or university; and who have a minimum of five years of experience providing human related services may be "grandfathered" in and considered for employment for positions requiring a Bachelor's degree. In addition, for positions requiring a Master's degree, employees of established programs who were hired prior to April 24, 2008; who possess a Master's Degree from an accredited college or university; and who have a minimum of five years of experience providing human related services may be "grandfathered" in and considered for employment in those positions. The underlined statement applies to all FOCUS positions (i.e., Supervisors, Therapists, Family Support Workers, etc.).
