

Crisis Placement Programs RFI# 2017-100-07

The purpose of the Request for Information (RFI) for Crisis Placement Programs was to give the public an opportunity to provide input on the development of a crisis program and to provide an actual description of what that program would look like.

In the development of the crisis placement program, please describe the program based on the information provided in the RFI and provide additional feedback on program content, staff requirements, identification of resources and recruitment strategies to attract other vendors. Additionally, the vendor would describe the types of youth referred, length of placement, age requirements and gender, discharge planning, ejection and rejection policies as well as evaluate behavioral patterns, also describe a successful transitioning from the crisis program.

The information generated from this RFI will help the Department in developing a Request for Proposals (RFP).
