1.6 MANDATORY REQUIREMENTS

Vendors are expected to respond to all of the requirements described in this document. The Department will determine whether a vendor's proposal meets the terms of the requirements. Proposals that do not meet all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive. Proposals that do not meet the requirements 1.6.1 through 1.6.6 will be deemed non-responsive and no other consideration will be given. **DO NOT ALTER ANY OF THE FORMS LISTED BELOW OR OTHERWISE INCLUDED/REQUIRED IN THIS DOCUMENT.**

1.6.1 DEADLINE FOR RECEIPT OF PROPOSALS

Proposals must adhere to the format requirements and must be received by the deadline for receipt of proposals as specified in the Schedule of Events and Section 1.8.1 *Required Copies and Deadline for Receipt of Proposals*.

1.6.2 LEGAL STATUS LETTER OR TAXPAYER IDENTIFICATION VERIFICATION

1.6.3 DISCLOSURE STATEMENT

Act 2001-955 requires the disclosure statement to be completed and filed with all proposals, bids, contracts, or grant proposals to the State of Alabama in excess of \$5,000. Disclosure Statements are available for completion on the Attorney General's web site at www.ago.alabama.gov under *Publications and Forms*. Vendors may also click on either of the following links for a copy of the Disclosure Statement: (manual fill-in) http://www.ago.state.al.us/documents/vendor_disclose.pdf or (online fill-in) http://www.ago.state.al.us/documents/vendor_disclose_fill.pdf when connected to the internet. Vendors must include a completed copy of the Disclosure Statement in their proposals.

SECTION 1: PROJECT OVERVIEW AND INSTRUCTIONS

1.6.4 IMMIGRATION AFFIDAVIT AND E-VERIFY DOCUMENTATION

Vendors must submit a completed, signed copy of the immigration affidavit (*Appendix D*) with their proposals.

1.6.5 E-VERIFY DOCUMENTATION

Vendors must submit e-verify registration documentation with their proposals.

1.6.6 AUTHORIZED VENDOR SIGNATORY

Vendors must provide an original proposal using the format described, with an original signature of person(s) legally authorized to bind the applicant to the proposal.

Vendors must include their Dun & Bradstreet, or D-U-N-S, Number, a unique nine-digit identification number for each physical location of your business.

1.7 GENERAL REQUIREMENTS

1.7.1 ACCEPTANCE OF STANDARD TERMS AND CONDITIONS

By submitting a response to this RFP, vendors agree to acceptance of the standard terms and conditions of this RFP. Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer by the due date for receipt of written questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the vendor's ability to respond to the RFP or perform the contract.

Note: The Department reserves the right to not enter into a new contract with a current vendor who is under a corrective action plan until all corrective requirements have been met.

1.7.2 UNDERSTANDING OF SPECIFICATIONS AND REQUIREMENTS

By submitting a response to this RFP, vendors agree to an understanding of and compliance with the specifications and requirements described in this RFP.

1.7.3 PRIMARY VENDOR/SUBCONTRACTORS

The primary vendor if a contract is awarded shall be responsible, in total, for all work of any subcontractors. All subcontractors, if any, must be listed in the proposal. The vendor shall not assign, transfer or subcontract any portion of the contract without the written consent of the Department. The vendor shall be responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by the vendor. Any awards made as a result of this document will create a contractual relationship between the vendor and the Department, not the subcontractor.

1.7.4 VENDOR'S SIGNATURE

An individual authorized to legally bind the organization submitting the proposal must sign the original proposal in ink. The vendor's signature on a proposal in response to this RFP guarantees that the offer has been established without collusion that would preclude the Department from obtaining the best possible service for the best possible price.

1.8 SUBMITTING A PROPOSAL

1.8.1 REQUIRED COPIES AND DEADLINE FOR RECEIPT OF PROPOSALS

Vendors must submit **one (1)** original proposal, **seven (7)** copies and **one (1)** electronic (PDF preferred) copy on CD or DVD clearly labeled with the Vendor's name and the RFP title and number to:

**Starr Stewart, Director
Office of Procurement
Alabama Department of Human Resources
Gordon Persons Building, Room 2153
50 Ripley Street
Montgomery, AL 36130-4000**

Proposals must subscribe to the section/subsection headings and numbering format (i.e., **4.2.5.1 Vendor Qualifying Information**) as specified in *Section 4 Proposal Format and Instructions*. Proposals must be sealed and labeled on the outside of the package to clearly indicate that they are in response to the *Integrated Work Support Programs-Extended RFP# 2015-300-02*. **Proposals must be received at the receptionist's desk of the Resource Development-Office of Procurement by 12:00 p.m., local time, Thursday, September 03, 2015.** Two business (Monday-Friday) days prior to the due date, proposals may be hand delivered between the hours of 9:00 a.m. -12:00 p.m. (with the exception of state and federal holidays). Faxed and electronically submitted responses to requests for proposals are NOT accepted.

1.8.2 FAILURE TO COMPLY WITH INSTRUCTIONS

Vendors failing to comply with these instructions may be deemed non-responsive or subject to point deductions. The Department may also choose to not evaluate, and disqualify from further consideration any proposals that do not follow the format described in Section 4: *Proposal Format and Instructions*, are difficult to understand or read, or are missing any requested information.

1.8.3 COST PROPOSAL FORMS

Vendors **must** respond to this RFP by utilizing the cost proposal forms found in *Appendices E and G*. These forms will be used as the primary representation of each Vendor's cost, and will be used extensively during proposal evaluations. Additional information should be included as necessary to explain in detail the Vendor's cost.

1.8.4 TIMELY SUBMITTED PROPOSALS

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

1.8.5 LATE PROPOSALS

Regardless of the cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be the Vendor's sole risk to assure delivery at the receptionist's desk at the designated office by the designated time. Late proposals will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

SECTION 2: STANDARD INFORMATION

2.0 AUTHORITY

This RFP is issued under the authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.). Any awards resulting from this RFP will be made based on stated evaluation criteria. The weight assigned to each criterion denotes the relative importance of that criterion. No criteria, other than that identified in this RFP, will be used.

2.1 VENDOR COMPETITION

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies.

2.2 NONDISCRIMINATION

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

2.3 IMMIGRATION AFFIDAVIT AND E-VERIFY

Only U.S. citizens or foreign citizens who have the necessary authorization to legally work in the United States may be employed to work under any contract with the Department. Vendors must agree to not knowingly employ, hire for employment, or continue to employ an unauthorized alien, and must provide to the Department a sworn affidavit (*Appendix D*) signed before a notary attesting to such.

The United States Citizenship and Immigration Services (www.uscis.gov) provides E-Verify, an internet-based system that allows companies to determine their employees' eligibility to work in the United States. Vendors must participate in the E-Verify program and verify every employee that is required to be verified according to the applicable federal rules and regulations. Vendors must provide documentation to the Department establishing that they are enrolled in the E-Verify program.

Vendors must agree to not knowingly employ, hire for employment, or continue to employ a subcontractor to perform work under a contract that knowingly employs, hires for employment, or continues to employ an unauthorized alien. Any subcontractor hired to perform work under a contract must attest to such by sworn affidavit signed before a notary. Subcontractors must also enroll in the E-Verify program prior to performing any work on a project and must attach to the sworn affidavit documentation establishing that the subcontractor is enrolled in the E-Verify program.

2.4 DUNS NUMBER

Vendors must obtain a Dun & Bradstreet, or D-U-N-S, Number, a unique nine-digit identification number for each physical location of your business. D-U-N-S Number assignment is free for all businesses required to register with the federal and state government for contracts or grants.

2.5 PROPOSAL EFFECTIVE PERIOD

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn or canceled by the Vendor during this period.

2.6 TRADE SECRETS

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a “trade secret” by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor’s legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. If applicable, the Vendor’s Legal Counsel must use the Department of Human Resources “Affidavit for Trade Secret Confidentiality” form when requesting the trade secret claim. The affidavit form (*Appendix C*) is included in this document.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a “right to know” (open records) request from another party.

2.7 PRE-SCREENING AND EVALUATION OF PROPOSALS

2.7.1 PRE-SCREENING

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review they will be classified “responsive” or “non-responsive”. However; proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

2.7.2 EVALUATION OF PROPOSALS

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

2.8 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further

SECTION 2: STANDARD INFORMATION

define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor's expense.

2.9 BEST AND FINAL OFFER

The Department reserves the right to request a "best and final offer" for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their "best and final offer," which must include any and all discussed and/or negotiated changes.

2.10 PUBLIC REQUESTS FOR INFORMATION

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

2.11 COST OF PREPARING A PROPOSAL

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

2.12 DEPARTMENT'S RIGHTS RESERVED

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. Upon determination such actions would be in its best interest, the Department, in its sole discretion, reserves the right to the following:

2.12.1 PRE-SELECTION DISCRETION

The Department reserves the right at its sole discretion, at any time and for any reason, to reject any or all of the proposals submitted in response to this RFP, or to cancel this RFP, if it is deemed by the Department to be in its best interest to do so.

2.12.2 POST-SELECTION DISCRETION

Upon selection of a proposal, the Department reserves the right, at its sole discretion, at any time and for any reason, to change its decision with respect to the selection and to select another proposal, or to cancel the RFP, if it is deemed by the Department to be in its best interest to do so.

2.12.3 WAIVERS

Notwithstanding the amendment provisions otherwise set forth herein, the Department reserves the right at its sole discretion, to waive any minor irregularity in an otherwise valid proposal which would not jeopardize the overall program and to award a contract on the basis of such a waiver in the event the Department determines that such award is in the best interest of the Department. Minor irregularities are those which will not have a significant adverse effect on the overall program cost or performance.

2.12.4 NEGOTIATIONS

The Department reserves the right to negotiate with any vendor whose proposal is within the competitive range, as specified in the RFP with respect to technical plan and cost, as well as to select a vendor other than the vendor offering the lowest price.

2.12.5 ADOPTION OF IDEAS

The Department reserves the right to adopt to its use all or any part, of a vendor's proposal and to use any idea or all ideas presented in a proposal.

2.12.6 ORAL PRESENTATIONS

The Department reserves the right to require some or all of the vendors to provide oral presentations of their proposals.

2.12.7 AMENDMENTS

The Department reserves the right to amend the RFP. Except as provided above with respect to "WAIVERS" made by the Department, all amendments to the RFP will be made by written addendum issued by the Department and posted to the web at www.dhr.alabama.gov under this RFP link.

2.12.8 NO GUARANTEE OF CONTRACT

Selection of a proposal shall not be binding upon the Department and may or may not, at the Department's sole discretion, result in the Department entering into a contract with the vendor if it is in the best interest of Department not to proceed with contract execution.

2.12.9 RIGHT TO INVESTIGATE AND REJECT

SECTION 3: SCOPE OF PROJECT

3.0 SERVICE DESCRIPTION

The *Integrated Work Support Programs*, in accordance with the criteria set forth below, provides services to individuals referred by local County Department(s) of Human Resources JOBS staff in accordance to JOBS Program policy. Proposed programs must incorporate a “personal responsibility” and “work-first” approach directed toward acquiring employment or other core activities that meet the appropriate requirements. The process must consider the need to equip eligible individuals with the ability to overcome barriers to employment, increase their marketable skills and employability, and gain and retain employment and/or participation in CEMP. In addition to assisting clients in their pursuit of self-sufficiency, meeting the required Work Participation Rate (WPR) is crucial for the success of Alabama’s JOBS Program. Therefore when developing program strategies; vendors will need to implement activities that help DHR obtain and maintain the required All Families as well as the Two-Parent Work Participation Rates. Vendors may propose a variety of approaches that incorporate preparation, training and experience requirements for individuals to seek, obtain, and retain employment. Vendors must develop programs that incorporate a combination of services rather than one stand-alone approach. Programs must meet the federal “core” or “combination of core and non-core” hours, as described below and must include a minimum of two or more of the following activities:

- A. **Job Readiness classes** – job search and obtainment. Instruction/assistance to individuals in a classroom setting or one-on-one. Curriculums must include activities designed to prepare individuals for seeking employment as well as obtaining, and maintaining employment. In addition to traditional job readiness courses, training must include basic computer skills as needed to navigate the internet and to locate various web sites in search of job related information/opportunities, posting resumes, and applying for jobs on the internet. Job readiness classes must be conducted for at least 35 hours per week for a maximum of four (4) consecutive weeks. However, programs may offer classes for fewer than 35 hours per week over a longer period, as long as the federal hour’s requirement is met, either through the assignment to another core activity or a non-core activity if the basic core hour requirement is met. A written curriculum for each session must be submitted initially to the county Department of Human Resources and whenever changes are made.
- B. **Jobs Skills Training** – classroom or individualized training as required by an employer to provide an individual with the ability to obtain employment, to advance or adapt to meet the changing demands of the workplace. Includes customized training to meet the needs of specific employers and general training that prepares individuals for employment. Activities include classroom and individualized instruction designed to improve an individual’s performance on the assessment for the Career Readiness Certificate (CRC). More information on the Career Readiness Certificate is available at www.careerreadyalabama.com.
- C. **Structured Job Search/Job Placement** – Individual referrals to specific job openings, recruitment of employers to hire participants, coordination with the Alabama Career Centers, and structured job search to be supervised by the vendor. The job seeking activities must be assigned in increments lasting no longer than two weeks and the participant’s activities must be structured, supervised and documented daily.
- D. **Job Retention/Post Employment Services** – structured job retention services including follow-up with clients and/or employers at specified intervals; support groups, intervention with employer to resolve problems, and placement in a subsequent job if the first job does not work out.

SECTION 3: SCOPE OF PROJECT

- E. **Job Coaches/Family Mentoring** – services might include a job coach learning the job and then teaching the individual how to do the job; services to either the employer or the participant to resolve workplace problems; recruitment; selection/matching; and training of individuals to serve as mentors/coaches to current and former FA recipients and their families.
- F. **Community Employment (CEMP)** – refers to temporary “on-the-job” placements in non-profit and/or for-profit businesses. For-profit placements have a maximum duration of three (3) months, whereas non-profit placements have a maximum duration of six (6) months. The CEMP placement must provide the client with opportunities to acquire general skills, training, knowledge, and work habits that are necessary to obtain/retain employment. The maximum number of hours that a client may be placed in CEMP is calculated by adding the Family Assistance (FA) and Food Assistance benefits received per month, then dividing the total benefits by the current minimum wage. This activity also includes recruitment of CEMP providers and supervision of clients in CEMP placements.
- G. **Work Adjustment Employment** – time-limited, training programs in a supervised “real-world” work setting that assess barriers and assist clients in modifying problem behaviors that make it difficult for them to obtain and retain employment. Participants perform a variety of subcontracting work, such as: packaging, mailing, and sorting services for area companies. Participants work approximately 32 -35 hours per week and are paid wages based on their productivity.

Vendors must include plans to incorporate information about support services such as: the Earned Income Tax Credit (EITC), Food Assistance, subsidized childcare, DHR’s Short-term Employment Assistance (SEA) services, SAIL Program, and other community resources. Vendors must describe the process for engaging individual participants in activities that will lead to the goal of obtaining and retaining employment. Vendors will be responsible for the logistics surrounding job readiness training, including securing meeting space, supplies, and training needs for the participants. Vendors will be required to monitor and document participants’ attendance/progress in each activity and must immediately notify (within one day) the county DHR JOBS unit when the participant fails to engage, is absent from a subsequent class or the worksite, or exhibits uncooperative behavior. Vendors must verify the participant’s attendance/progress on the DHR attendance/progress report form and submit the form to the county JOBS unit every two (2) weeks or as otherwise required by DHR. The vendor must agree to notify DHR/JOBS immediately if supportive service needs are identified. Vendors will also be required to submit participation reports monthly to State DHR and the county DHR office(s). State DHR officials will monitor sites to ensure that the program is in compliance with contract provisions as well as with state and federal rules and regulations.

Job placement and job retention are the primary goals sought by DHR. The first priority is to prepare and assist each client in gaining and retaining suitable unsubsidized employment that will move the client and her/his family from welfare to work as quickly as possible. It is crucial that the vendor and DHR work together in planning, coordinating and delivering services.

Vendors must describe the proposed service(s) and procedures that will be utilized to meet the participation hour’s requirement and result in successful outcomes. Vendors must provide their program’s anticipated successful outcomes in a numeric character. Vendor’s performance will be evaluated based on the number of clients who are meeting or exceeding the required number (35) of countable hours, the number of clients employed and maintaining employment and the vendor’s success at accomplishing the identified numeric goal proposed. **Priority will be given to vendors whose programs emphasize CEMP and Employment.**

Additionally, vendors are encouraged to work with and utilize the services of the Alabama Career Centers. In compliance with the Workforce Innovation and Opportunity Act (WIOA) JOBS client will be registered with the Career Centers via an electronic link during our initial process.

“Core” activities include unsubsidized and subsidized employment, on-the-job training, job search, job readiness, work experience (CEMP in Alabama), and vocational education training. Participants must perform a minimum of 35 hours of “core and non-core” activities per week. “Non-Core” activities include job skills training and education directly related to employment, and satisfactory attendance at secondary school or in a GED program. More information is available at <http://www.acf.dhhs.gov/programs/ofa/>. In order to meet federal requirements, non-core activities be combined with sufficient core activity hours in order to be countable.

3.1 ELIGIBLE PARTICIPANTS

Individuals eligible for services under this procurement must be referred by the county JOBS unit in accordance to the JOBS program policy. The local County Department(s) of Human Resources must provide a written referral certifying the individual’s eligibility. The Department may, at its sole discretion, elect to expand the pool of potentially eligible participants if it is deemed by the Department to be necessary and appropriate to better serve the purposes of TANF.

3.2 APPLICABLE PROGRAM LAWS/REGULATIONS

The services to be provided as described in this RFP are subject to all federal and state laws, regulations, rules and procedures applicable to the receipt and expenditure of federal TANF and state funds, including, but not limited to:

Vendors must include a detailed line-item budget using the **Cost Reimbursement Budget or Fixed Rate Budget** forms (*See Appendices E and G*), in accordance with the respective instructions. (The budget must not include any costs associated with the purchase of equipment). Costs associated with the proposed services, such as meeting space, supplies, and other training needs, are the responsibility of the Vendor and should be factored into the budget. Vendors are encouraged to contact the DHR office in the county being service because meeting space may be made available on a cost-free basis for short-term training programs, at the sole discretion of the county DHR Director.

5.1 INDIRECT COST

Vendors who submit a cost reimbursement budget may only include indirect costs if they have a federally approved indirect cost rate. The Department reserves the right to disallow any or all indirect costs. However, if the Department approves the costs, such costs may reflect an amount not to exceed the appropriate prorated share of the Vendor's actual federally approved rate or 10%, whichever is less. Any approval by the Department of such costs is subject to the following constraints:

- A. Vendors must be able to document that such costs are incurred in addition to the direct costs outlined in the program budget. No undocumented costs will be allowed.
- B. The same cost may not be charged as both a direct and indirect cost.
- C. Vendors must demonstrate that "like costs" are allocated consistently across all benefiting cost objectives. For example, the Vendor may not charge telephone costs as a direct cost to the Department for the proposed service and, at the same time, allocate such costs for one or more other programs administered by the Vendor as an indirect cost.

5.2 BUDGET ADDENDUM

5.2.1 DETAILED LINE-ITEM BUDGET

Vendors submitting a detailed line item "Cost Reimbursement Budget" must include descriptions and the following forms, as applicable. Forms must be submitted in the following order:

- A. The "Use Allowance – Equipment" form (See Appendix I), in the event the Vendor's budget includes costs for the use of equipment owned by the Vendor. The Vendor may elect to recoup cost for such equipment through a depreciation allowance rather than through the use allowance. If the depreciation allowance is selected, the annual depreciation amount must be based on the original purchase price (as documented by a copy of the original invoice) minus the actual documented salvage value, or 10% of the original purchase price, whichever is less, to obtain the net cost basis. The net cost basis must then be divided by the useful life of the equipment, which is five (5) for both the use allowance and the depreciation allowance, to obtain the annual depreciation amount. Under either option, the proposal must include a copy of the original invoice reflecting the original purchase price, date of purchase and, if available, a statement from the original vendor as to the salvage value of the equipment.
- B. The "Use Allowance – Space" form (See Appendix K), in the event the Vendor's budget includes costs for the use of space owned by the Vendor.

SECTION 5: COST PROPOSAL

- C. The Statement of Comparable Rent form (See Appendix M) in the event the Vendor's budget includes costs associated with rent or lease. The budgeted amount must not exceed the lesser of three certified statements completed in accordance with the form's instructions.

- D. In addition, include in the following order, as applicable, a copy of:
 - 1. The rent or lease agreement;
 - 2. A detailed itemized list of equipment, associated invoices, salvage value statements, equipment lease agreement(s) and/or maintenance agreement(s);
 - 3. A detailed itemized list of the types of supplies, if included in the proposed budget;
 - 4. Proposed subcontracts including a budget and narrative of services to be performed by the subcontractor.

5.3 BUDGET NARRATIVE

Cost Proposals must include a budget narrative, **not to exceed 5 pages**.

5.3.1 DETAILED LINE-ITEM BUDGET

The budget narrative must explain the nature and requisite need for the amounts proposed in each budget line item, explaining the methodology for determining each cost.

- A. The narrative must describe how the proposed personnel costs compare to other personnel costs incurred by the Vendor in other programs and to similar labor costs elsewhere within the local market.

- B. If the Vendor elects to budget costs associated with depreciation for equipment owned by the Vendor, the budget narrative must include a detailed description of the depreciation formula used to calculate the budgeted allowance.

5.3.2 FIXED RATE BUDGET

Vendors must attest in the budget narrative that the rate(s) submitted in response to this procurement do not exceed the rate(s) the Vendor charge other organizations, agencies or individuals to whom the proposed service is provided.

APPENDIX A: STANDARD TERMS AND CONDITIONS

FACSIMILE RESPONSES: Facsimile responses will not be accepted for requested for proposals or limited solicitations.

FAILURE TO HONOR PROPOSAL: If a vendor to whom a contract is awarded refuses to accept the award (contract) or, fails to deliver in accordance with the contract terms and conditions, the Department may, in its discretion, suspend the vendor for a period of time from entering into any contracts with the Department.

FORCE MAJEURE: Neither party shall be responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the non-performing party, so long as such party is using its best efforts to remedy such failure or delays.

FOREIGN CORPORATIONS (OUT-OF-STATE FIRMS): Alabama law provides that a foreign corporation (out-of-state company/firm) may not transact business in the state until it obtains a certificate of authority from the Secretary of State, Section 10-2B-15.01, Code of Alabama 1975. To obtain form for a certificate of authority, contact the Secretary of State, Corporation Division, (334) 242-5324. Not having this certificate does not keep the vendor from registering.

HOLD HARMLESS/INDEMNIFICATION: The contractor agrees to hold the Department, its elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, causes of action of any kind or character, including the cost of defense thereof, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed or omissions of services or in any way resulting from the acts or omissions of the contractor and/or its agents, employees, representatives, assigns, subcontractors, except for acts of omission resulting from the sole negligence of the Department, under this agreement.

LATE PROPOSALS: Regardless of cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be solely the vendor's risk to assure delivery at the designated office by the designated time. Late proposals will not be opened and may be returned to the vendor at the expense of the vendor or destroyed if requested.

REGISTRATION WITH THE PURCHASING DIVISION: Any business intending to transact business in Alabama must register with the Alabama Purchasing Division by completing the Vendor Disclosure Statement. A copy of the Vendor Disclosure Statement can be downloaded from the Purchasing website at www.purchasing.alabama.gov.

SEVERABILITY CLAUSE: A declaration by any court, or any other binding legal source, that any provision of the contract is illegal and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually dependent.

SOLICITATION DOCUMENT EXAMINATION: Vendors must promptly notify the Department of any ambiguity, inconsistency, or error, which they may discover upon examination of a solicitation document.

TERMINATION OF CONTRACT: Unless otherwise stated, the Department may, by written notice to the contractor, terminate the contract in whole or in part at any time the contractor fails to perform the contract.

UNAVAILABILITY OF FUNDING: The Department, at its sole discretion, may terminate or reduce the scope of the contract if available funding is reduced for any reason.

U.S. FUNDS: All prices and payments must be in U.S. dollars.

APPENDIX C: TRADE SECRET AFFIDAVIT

Alabama Department of Human Resources

AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY

DEPARTMENT OF _____)

)ss.

County of _____)

_____ (Affiant), being first duly sworn under oath, and representing
_____ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of _____, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # _____. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
- (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are

APPENDIX C: TRADE SECRET AFFIDAVIT

solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.

APPENDIX F: INSTRUCTIONS FOR COST REIMBURSEMENT BUDGET FORM

The line items set forth in the Cost Reimbursement Budget Forms are defined below. Each line item must reflect the correct and complete information based on these definitions. For example, if travel costs are incurred in association with a particular cost item, the travel portion of the cost should be broken out and reflected as travel rather than included under the program function for which it was incurred. The first page represents a summary of the totals from the remaining pages. All budgeted funds are subject to departmental directives and the instructions set forth herein. For the budget items so designated, the Department's prior written approval must be obtained before the expense is actually incurred.

APPENDIX J: INSTRUCTIONS FOR USE ALLOWANCE – EQUIPMENT FORM

This form is to be used to compute a use allowance for equipment owned by contract agencies (excluding equipment purchase in whole or in part with federal funds) and to be used in the contract program used privately owned space. **No use allowance may be charged on any equipment item that is fully depreciated (over five years old).**

List the number assigned to the equipment, item of equipment and the date acquired in the spaces provided.

1. Cost – Show the actual cost of the equipment item (**excluding federal funds**) in the space provided. Do NOT include in this cost items which will not be used by the program.
2. Percent of Use by Project – For equipment items used in more than one project, compute the percentage of time attributable to this contract program.
3. Annual Allowance – Multiply the cost by 6 2/3% by Percent of Use by Project to determine the annual allowance.
4. Total Use Allowance Applicable to Facility – Add the annual allowance column to arrive at this figure and list in FM-2 under Equipment (use allowance).

Depreciation Allowance

In lieu of a use allowance, a contractor may opt to charge a depreciation allowance for the equipment described above. The maximum annual depreciation allowance is the cost (as described above) less the documented salvage value (or 10% if actual salvage value is not available) divided by the useful life of the equipment (5 years), as follows:

STEP 1:

$$\begin{array}{r} \text{Cost (as described above)} \\ - \text{ Salvage Value (or 10\%)} \\ \hline = \text{ Net Cost} \end{array}$$

STEP 2:

$$\begin{array}{r} \text{Net Cost} \\ / \text{ Useful Life (5)} \\ \hline = \text{ Gross Annual Depreciation Allowance} \end{array}$$

STEP 3:

$$\begin{array}{r} \text{Gross Annual Depreciation Allowance} \\ \times \text{ Percent time used this contract program} \\ \hline = \text{ Net Annual Depreciation Allowance} \end{array}$$

STEP 4: Divide the NET annual depreciation allowance from STEP 3 by 12 to derive the monthly depreciation allowance attributable to this contract program and include the monthly depreciation amount on the FM-02 (Cost Reimbursement Budget) under Equipment (depreciation allowance). **No depreciation allowance is permitted on any equipment item that is fully depreciated (older than 5 years).**

APPENDIX L: INSTRUCTIONS FOR USE ALLOWANCE FORM – SPACE

This form is to be used to compute a use allowance (in lieu of rent) for privately owned space.

1. Cost – Show actual cost, excluding land and federal funds. Where actual cost records have not been maintained, a reasonable estimate of the original acquisition cost may be used in the computation. It is suggested that architects in the area be consulted.
2. Annual Allowance – Compute by multiplying the cost by the annual rate of 2%.
3. Other Expenses Applicable to Entire Building – This may include utilities, janitorial services, garbage collections, etc., when these costs are prorated to other projects on this basis.
4. Total Usable Square Feet – Show total usable square feet for the entire building.
5. Annual Cost per square Foot – Divide total expense by total square feet.
6. Square Feet to be Used by Project – List total square feet as computed on bottom of FM-05 under “Square Feet to be Used by Project.”
7. Pro Rata annual Cost to Project – Multiply annual cost per square foot by square feet occupied by project.
8. Percent of Time Chargeable to This Project – This time would normally be shown at 10%. However, when the same space is being utilized by two or more separate projects, the percent of time must be prorated between the projects sharing the space. The amount of time applicable to this project would be divided by the total time the space is occupied by all projects to arrive at this percentage.
9. Total Cost Applicable to Project – Multiply Pro rata Annual cost to Project by Percent of Time Chargeable to this Project to determine the total certified cost applicable to the project. List this amount in the space provided on FM-02 under Space.
10. Square Feet to be Used by Project – Compute the number of square feet applicable to the project for each room as indicated and show the total square feet in the space provided.
