Alabama Department of Human Resources

Pre-Proposal Conference Update

Clarification:

Issue #1: Staffing Restrictions

Several people were concerned with the staffing restrictions. To clarify the restrictions, programs may have staff members in common. Relief staff may work in Intensive on Wednesday and Moderate on Friday, but **CAN NOT** work in Intensive AND Moderate during the same shift on the same day.

Issue #2 Personnel Addendum

The Personnel Addendum is available in a Word format for download on the Department's web site at www.dhr.state.al.us .

Issue #3 Pre-Proposal Transcript

A notice will be posted to the Department's web site at shortly after the transcript of the Pre-Proposal conference is made available.
