1.6 MANDATORY REQUIREMENTS

Vendors are expected to respond to all of the requirements described in this document. The Department will determine whether a vendor's proposal meets the terms of the requirements. Proposals that do not meet all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive. Proposals that do not meet the requirements 1.6.1 through 1.6.9 will be deemed non-

responsive and no other consideration will be given. **DO NOT ALTER ANY OF THE FORMS LISTED BELOW OR OTHERWISE INCLUDED/REQUIRED IN THIS DOCUMENT.**

1.6.1 DEADLINE FOR RECEIPT OF PROPOSALS

Proposals must adhere to the format requirements and must be received by the deadline for receipt of proposals as specified in the Schedule of Events and Section 1.8.1 *Required Copies and Deadline for Receipt of Proposals*.

1.7 GENERAL REQUIREMENTS

By submitting a response to this RFP, vendors agree to acceptance of the standard terms and conditions of this RFP. Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer by the due date for receipt of written questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the vendor’s ability to respond to the RFP or perform the contract.

Note: The Department reserves the right to not enter into a new contract with a current vendor who is under a corrective action plan until all corrective requirements have been met.

1.7.2 UNDERSTANDING OF SPECIFICATIONS AND REQUIREMENTS

By submitting a response to this RFP, vendors agree to an understanding of and compliance with the specifications and requirements described in this RFP.

1.7.3 PRIMARY VENDOR/SUBCONTRACTORS

The primary vendor if a contract is awarded shall be responsible, in total, for all work of any subcontractors. All subcontractors, if any, must be listed in the proposal. The vendor shall not assign, transfer or subcontract any portion of the contract without the written consent of the Department. The vendor shall be responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by the vendor. Any awards made as a result of this document will create a contractual relationship between the vendor and the Department, not the subcontractor.

1.7.4 VENDOR'S SIGNATURE

An individual authorized to legally bind the organization submitting the proposal must sign the original proposal in ink. The vendor's signature on a proposal in response to this RFP guarantees that the offer has been established without collusion that would preclude the Department from obtaining the best possible service for the best possible price.

1.8 SUBMITTING A PROPOSAL

1.8.1 REQUIRED COPIES AND DEADLINE FOR RECEIPT OF PROPOSALS

Vendors must submit **one (1)** original proposal, **seven (7)** copies and **one (1)** electronic (USB preferred) copy on CD or DVD clearly labeled with the Vendor's name and the RFP title and number to:

Alabama Department of Human Resources
Gordon Persons Building, Second Floor - Room Q3-019
50 Ripley Street
Montgomery, AL 36130-4000**

Proposals must subscribe to the section/subsection headings and numbering format (i.e., **4.2.5.1 Vendor Qualifying Information**) as specified in *Section 4 Proposal Format and Instructions*. Proposals must be sealed and labeled on the outside of the package to clearly indicate that they are in response to the **RFP# 2020-500-03 Employment and Training Program. Proposals must be received at the receptionist's desk of the Resource Management Division-Office of Procurement by 12:00 p.m., local time, Thursday, July 23, 2020.** Two business (Monday-Friday) days prior to the due date, proposals may be hand delivered between the hours of 9:00 a.m. -12:00 p.m. (with the exception of state and federal holidays). Faxed and electronically submitted responses to requests for proposals are NOT accepted.

1.8.2 FAILURE TO COMPLY WITH INSTRUCTIONS

Vendors failing to comply with these instructions may be deemed non-responsive or subject to point deductions. The Department may also choose to not evaluate and disqualify from further consideration any proposals that do not follow the format described in Section 4: *Proposal Format and Instructions*, are difficult to understand or read, or are missing any requested information.

1.8.3 COST PROPOSAL FORMS

Vendors **must** respond to this RFP by utilizing the cost proposal forms found in *Appendix F*. These forms will be used as the primary representation of each Vendor's cost and will be used extensively during proposal evaluations. Additional information should be included as necessary to explain in detail the Vendor's cost.

1.8.4 TIMELY SUBMITTED PROPOSALS

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

1.8.5 LATE PROPOSALS

Regardless of the cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be the Vendor's sole risk to assure delivery at the receptionist's desk at the designated office by the designated time. Late proposals will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

SECTION 2: STANDARD INFORMATION

2.0 AUTHORITY

This RFP is issued under the authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.). Any awards resulting from this RFP will be made based on stated evaluation criteria. The weight assigned to each criterion denotes the relative importance of that criterion. No criteria, other than that identified in this RFP, will be used.

2.1 VENDOR COMPETITION

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies.

2.2 NONDISCRIMINATION

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, political beliefs or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

2.3 CERTIFICATE OF COMPLIANCE AND E-VERIFY

Only U.S. citizens or foreign citizens who have the necessary authorization to legally work in the United States may be employed to work under any contract with the Department. Vendors must agree to not knowingly employ, hire for employment, or continue to employ an unauthorized alien, and must provide to the Department a certificate of compliance with the Beason-Hammon Alabama Taxpayer and Citizen Protection Act (*Appendix D*).

The United States Citizenship and Immigration Services (www.uscis.gov) provides E-Verify, an internet-based system that allows companies to determine their employees' eligibility to work in the United States. Vendors must participate in the E-Verify program and verify every employee that is required to be verified according to the applicable federal rules and regulations. Vendors must provide documentation to the Department establishing that they are enrolled in the E-Verify program.

Vendors must agree to not knowingly employ, hire for employment, or continue to employ a subcontractor to perform work under a contract that knowingly employs, hires for employment, or continues to employ an unauthorized alien. Any subcontractor hired to perform work under a contract must attest to such by sworn affidavit signed before a notary. Subcontractors must also enroll in the E-Verify program prior to performing any work on a project and must attach to the sworn affidavit documentation establishing that the subcontractor is enrolled in the E-Verify program.

2.4 NO BOYCOTT CLAUSE

In compliance with Act 2016-312, vendors must attest that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.

2.5 TERMINATION/ALTERNATIVE RESOLUTION

For any and all disputes arising under the terms of any contract resulting from this procurement, vendors hereto agree, in compliance with the recommendations of the Governor and Attorney General, when considering settlement of such disputes, to utilize appropriate forms of non-binding alternative dispute resolution including but not limited to, mediation by and through the Attorney General's Office of Administrative hearings or where appropriate, private mediators.

2.6 MERIT SYSTEM EXCLUSION

The vendor is not to be considered a merit system employee and is not entitled to any benefits of the State Merit System.

2.7 IMMIGRATION CLAUSE

By responding to this procurement, the vendor affirms, for the duration of any contract resulting from this procurement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama and any other location. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the contract and shall be responsible for all damages resulting therefrom. (Appendix E)

2.8 DUNS NUMBER

Vendors must obtain a Dun & Bradstreet, or D-U-N-S, Number, a unique nine-digit identification number for each physical location of your business. D-U-N-S Number assignment is free for all businesses required to register with the federal and state government for contracts or grants.

2.9 PROPOSAL EFFECTIVE PERIOD

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn or canceled by the Vendor during this period.

2.10 TRADE SECRETS

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a "trade secret" by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor's legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. If applicable, the Vendor's Legal Counsel must use the Department of Human Resources "Affidavit for Trade Secret Confidentiality" form when requesting the trade secret claim. The affidavit form (*Appendix C*) is included in this document.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a "right to know" (open records) request from another party.

2.11 PRE-SCREENING AND EVALUATION OF PROPOSALS

2.11.1 PRE-SCREENING

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review they will be classified “responsive” or “non-responsive”. However; proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

2.11.2 EVALUATION OF PROPOSALS

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

2.12 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor’s expense.

2.13 BEST AND FINAL OFFER

The Department reserves the right to request a “best and final offer” for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their “best and final offer,” which must include any and all discussed and/or negotiated changes.

2.14 PUBLIC REQUESTS FOR INFORMATION

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

2.15 COST OF PREPARING A PROPOSAL

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

2.16 DEPARTMENT’S RIGHTS RESERVED

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. Upon determination such actions would be in its best interest, the Department, in its sole discretion, reserves the right to the following:

SECTION 3: SCOPE OF PROJECT

3.0 PROGRAM DESCRIPTION

The Alabama Department of Human Resources (DHR) Food Assistance Program seeks to partner with public and private agencies to expand the availability of services for A-RESET program participants to improve their employability through training and education, and help them obtain employment or get a better job to improve their economic circumstances.

Federal funding is available through a partnership with the Department to provide the following services:

- Supervised job search;
- Work readiness training such as job skills assessment and job clubs;
- Work experience or training for volunteers or paid employees;
- State, local or Workforce Innovation and Opportunity Act (WIOA) employment and job training programs;
- Education programs such as Basic Adult Education, GED preparation, literacy, and English as a Second Language classes;
- Self-employment;
- Job retention; and
- Case management.

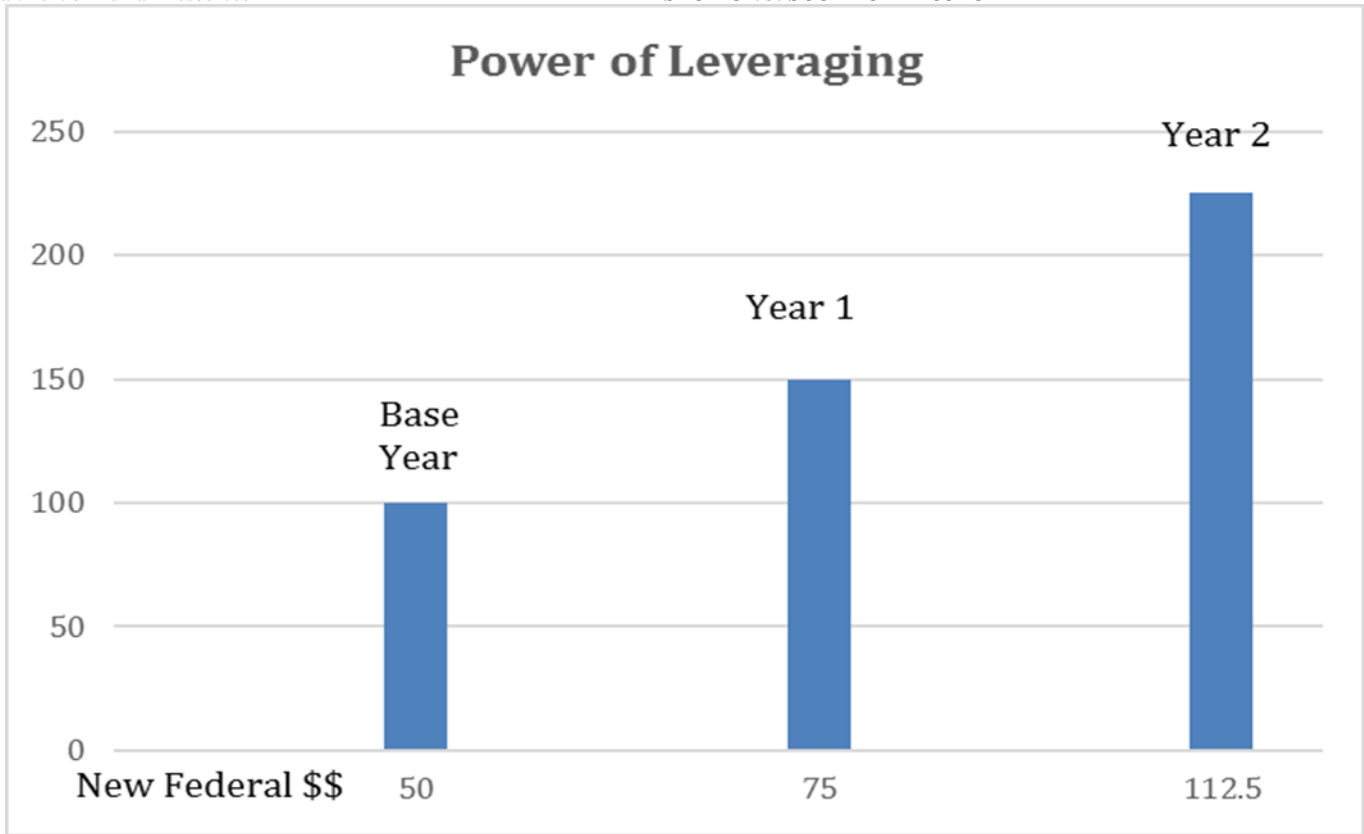

The Federal SNAP (Employment and Training) E&T program also authorizes Federal funding for supportive services reasonable and necessary to the efficiency and effectiveness of employment and training services. These include case management, transportation, child care, and other participant expenses.

A more detailed description of the services and program components that are eligible for Federal reimbursement may be found on-line at https://fns-prod.azureedge.net/sites/default/files/ET_Toolkit_2013.pdf.

It is the intent of the Department to expand A-RESET services Statewide. Vendors are not required to provide services Statewide but must identify the counties that they will serve. Services may be provided directly by the vendor or through partnership with local agencies or organizations such as AIDT, community and technical colleges providing the needed services. A-RESET differs from most other Federal grant programs in that it is a “reimbursement” program and not a “matching” program. In a reimbursement program, in order to be eligible for payment, third-party partners must pay, up front, the full cost of allowable activities from non-Federal funds that are not being used as match for another Federal program. Providers are then reimbursed by the Department for 50 percent of expenditures.

In order to avoid cash flow issues, partners are encouraged to document the existing expenditure of non-Federal funds related to employment and training services it is already providing to SNAP recipients.

Importantly, the 50 percent Federal reimbursement providers receive from the Department can be “reinvested” to grow the program to draw down additional Federal funding. It is the intent of this procurement to leverage existing expenditures to supplement, not supplant existing expenditures. The power of leveraging is illustrated in the exhibit below.

The Department’s contracts with successful vendors selected as a result of this procurement will require that the Federal funds received be used as the “match” to expand services to A-RESET participants. The Federal funds received, however, should not be used to expand the exact same service. They could be used to fund different employment and training services or expand services to a different geographic area.

3.1 TYPES OF SERVICES

Services must include a comprehensive initial assessment of each participant’s employability, appropriateness for A-RESET services and make appropriate referrals for employment and training services that will lead to employment. This assessment must identify barriers and challenges that each individual may experience with seeking, obtaining, and maintaining employment. Individualized plans must be created, documented and agreed upon by the participant to whom it pertains. Each participant’s agreement to their individual plan must be confirmed by having them signed and dated.

These assessments may be performed either by the Department, Community Colleges, or third-party partners under contract to the Department.

Vendors may also perform these assessments and make “reverse referrals” consistent with procedures established by the Department.

Although Federal SNAP E&T funding is not available for drug and alcohol treatment, vendors are expected to make necessary referrals for substance abuse and mental health treatment, as needed; offer guidance, motivation, and support with frequent contact and coaching to assist participants increase their employability.

3.2 POPULATION TO BE SERVED

The State’s A-RESET program is opened to any SNAP recipient who wishes to participate with a focus on Able-Bodied Adults Without Dependents (ABAWDs), SNAP recipients between the ages of 18-49 years; in a

household that contains no children under age 18; physically and mentally fit for employment; and who is not pregnant, and other work registrants. ABAWDs are unique in that they are eligible to receive food assistance benefits for only 3 months in a 36-month time period unless they are working or participating in an allowable education/training program for at least 20 hours per week (80 hours per month) and/or no longer meets one of the criteria listed above.

Because of their time-limited participation, it is critical that ABAWDs receive needed services to gain employment and remain eligible for benefits until such time as they are gainfully employed and no longer need Food Assistance benefits to meet their food needs.

This procurement is intended to expand employment and training services to ABAWDs and other work registrants receiving SNAP food assistance who are over the age of 16 years and not subject to and complying with work requirements for other programs (e.g., TANF).

As shown in the table on the following page, in November 2019, there were over 5,000 ABAWDs, but more than 95,000 “work-eligible” SNAP participants.

This table also reflects the fact that most SNAP recipients are children or youth under the age of 16 years or other individuals who are not required to register for work, including individuals who are:

- Over age 59;
- Physically or mentally unfit for employment;
- Subject to and complying with work requirements for other programs (i.e. TANF);
- Caretakers for dependent child under age 6 or an incapacitated individual;
- Receiving unemployment insurance compensation;
- Participating in a drug or alcohol treatment and rehabilitation program;
- Employed 30 hours a week; or
- A student enrolled at least half time.

Present the vendor’s position on the matter. If the vendor has experienced no such terminations for default in the past five years, so declare. If at any time during the past five years, the vendor has had a contract terminated for convenience, non-allocation of funds, or any other reason, which termination occurred before completion of all obligations under the initial contract provisions, describe fully all such terminations including the name and address of the other contracting party and the circumstances surrounding the termination. If no such early terminations have occurred, so declare.

Failure to report on the foregoing or if the information furnished is determined to be inaccurate, whether by omission or commission, shall result in rejection of the vendor’s Proposal.

No points will be assigned to proposals submitted by new or current vendors who have performed their contractual obligations satisfactorily. **However, current vendors who have performed unsatisfactorily may experience point deductions up to a maximum of 10 points.**

Note: The Department reserves the right to not enter into a new contract with a current vendor who is under a corrective action plan until all corrective requirements have been met.

SECTION 5: COST PROPOSAL

5.0 BUDGET

Vendors must include a detailed line-item budget using the Cost Reimbursement Budget (*See Appendix F*), in accordance with the respective instructions. Costs associated with the proposed services, such as meeting space, supplies, and other training needs, are the responsibility of the Vendor and should be factored into the budget. Vendors are encouraged to contact the DHR office in the county being service because meeting space may be made available on a cost-free basis for short-term training programs, at the sole discretion of the county DHR Director.

The Department recognizes that it is unlikely and probably not desirable for the Vendor's services to be limited to eligible A-RESET participants. Federal funding is only available for the portion of total costs that are related to eligible A-RESET participants, it is important, therefore, to base the "DHR Share" on the number of A-RESET recipients as a percentage of the total population to be served.

5.1 INDIRECT COST

The A-RESET program will reimburse third-party partners for both their direct and indirect ("overhead") costs. Indirect costs may be claimed in accordance with one of three options:

- Vendors who have a federally approved indirect cost rate may use that rate;
- Vendors who do not have a federally approved indirect cost rate can document their actual overhead costs; or
- Vendors who do not have a federally approved indirect cost rate may use a flat rate of 10 percent to be reimbursed for their general administration and overhead costs.

The Department reserves the right to disallow any or all indirect costs. Any approval by the Department of such costs is subject to the following constraints:

- A. Vendors must be able to document that such costs are incurred in addition to the direct costs outlined in the program budget.
- B. The same cost may not be charged as both a direct and indirect cost.
- C. Vendors must demonstrate that "like costs" are allocated consistently across all benefiting cost objectives. For example, the Vendor may not charge telephone costs as a direct cost to the Department for the proposed service and, at the same time, allocate such costs for one or more other programs administered by the Vendor as an indirect cost.

5.2 BUDGET NARRATIVE

Cost Proposals must include a budget narrative, **not to exceed 5 pages**.

5.2.1 DETAILED LINE-ITEM BUDGET

The budget narrative must explain the nature and requisite need for the amounts proposed in each budget line item, explaining the methodology for determining each cost.

- A. The narrative must describe how the proposed personnel costs compare to other personnel costs incurred by the Vendor in other programs and to similar labor costs elsewhere within the local market.
- B. If the Vendor elects to budget costs associated with depreciation for equipment owned by the Vendor, the budget narrative must include a detailed description of the depreciation formula used to calculate the budgeted allowance.

Vendors must attest in the budget narrative that the rate(s) submitted in response to this procurement do not exceed the rate(s) the Vendor charge other organizations, agencies or individuals to whom the proposed service is provided.

SECTION 6: EVALUATION CRITERIA

6.0 EVALUATION CRITERIA

The evaluation committee will review and evaluate the proposals according to the following criteria based on a **maximum possible value of 1,000 points**. Proposals failing to meet the requirements of this RFP may be deemed non-responsive or subject to point deductions. The point value assigned to each component of the **Technical Proposal and Cost Proposal** will be based on the following scoring scale.

Category	RFP Section	Point Value
Vendor Qualifying Information		30% of points for a possible 300 points
A. Vendor Profile and Experience	4.2.5.1.1	275
B. Past and Present Contractual Relationships with the Department	4.2.5.1.2	0

APPENDIX A: STANDARD TERMS AND CONDITIONS

By submitting a response to request for proposal or acceptance of a contract, the vendor agrees to acceptance of the following Standard Terms and Conditions and any other provisions that are specific to this solicitation or contract.

ACCEPTANCE/REJECTION OF PROPOSALS: The Department reserves the right to accept or reject any or all proposals, wholly or in part, and to make awards in any manner deemed in the best interest of the Department. Proposals will be firm for 180 days, unless stated otherwise in the text of the request for proposal.

ACCESS AND RETENTION OF RECORDS: The contractor agrees to provide the Department, Legislative Auditor, or authorized agents, access to any records necessary to determine contract compliance. The contractor agrees to create and retain records supporting the services rendered or supplies delivered for a period of three years after either the completion date of the contract or the conclusion of any claim, litigation, or exception relating to the contract taken by the Department or third party.

ALTERATION OF SOLICITATION DOCUMENT: In the event of inconsistencies or contradictions between language contained in the Department's solicitation document and a vendor's response, the language contained in the Department's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the vendor's disqualification and possible debarment.

ASSIGNMENT, TRANSFER AND SUBCONTRACTING: The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the Department.

AUTHORITY: The following request for proposal, limited solicitation, or contract is issued under authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.)

COMPLIANCE WITH LAWS: The contractor must, in performance of work under the contract, fully comply with all applicable federal, department, or local laws, rules and regulations, including the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Any subletting or subcontracting by the contractor subjects subcontractors to the same provision. The contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the contract.

DEBARMENT: The contractor certifies, by submitting this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the Department.

DISABILITY ACCOMMODATIONS: The Department does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Individuals, who need aids, alternative document formats, or services for effective communications or other disability-related accommodations in the programs and services offered, are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

FACSIMILE RESPONSES: Facsimile responses will not be accepted for requested for proposals or limited solicitations.

FAILURE TO HONOR PROPOSAL: If a vendor to whom a contract is awarded refuses to accept the award (contract) or, fails to deliver in accordance with the contract terms and conditions, the Department may, in its discretion, suspend the vendor for a period of time from entering into any contracts with the Department.

FORCE MAJEURE: Neither party shall be responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the non-performing party, so long as such party is using its best efforts to remedy such failure or delays.

FOREIGN CORPORATIONS (OUT-OF-STATE FIRMS): Alabama law provides that a foreign corporation (out-of-state company/firm) may not transact business in the state until it obtains a certificate of authority from the Secretary of State, Section 10-2B-15.01, Code of Alabama 1975. To obtain form for a certificate of authority, contact the Secretary of State, Corporation Division, (334) 242-5324. Not having this certificate does not keep the vendor from registering.

HOLD HARMLESS/INDEMNIFICATION: The contractor agrees to hold the Department, its elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, causes of action of any kind or character, including the cost of defense thereof, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed or omissions of services or in any way resulting from the acts or omissions of the contractor and/or its agents, employees, representatives, assigns, subcontractors, except for acts of omission resulting from the sole negligence of the Department, under this agreement.

IMMIGRATION CLAUSE: By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama and any location. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

LATE PROPOSALS: Regardless of cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be solely the vendor's risk to assure delivery at the designated office by the designated time. Late proposals will not be opened and may be returned to the vendor at the expense of the vendor or destroyed if requested.

MERIT SYSTEM EXCLUSION: The vendor must not to be considered a merit system employee and is not entitled to any benefits of the State Merit System.

REGISTRATION WITH THE PURCHASING DIVISION: Any business intending to transact business in Alabama must register with the Alabama Purchasing Division by completing the Vendor Disclosure Statement. A copy of the Vendor Disclosure Statement can be downloaded from the Purchasing website at www.purchasing.alabama.gov.

SEVERABILITY CLAUSE: A declaration by any court, or any other binding legal source, that any provision of the contract is illegal and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually dependent.

SOLICITATION DOCUMENT EXAMINATION: Vendors must promptly notify the Department of any ambiguity, inconsistency, or error, which they may discover upon examination of a solicitation document.

TERMINATION OF CONTRACT: Unless otherwise stated, the Department may, by written notice to the contractor, terminate the contract in whole or in part at any time the contractor fails to perform the contract.

TERMINATION/ALTERNATIVE DISPUTE RESOLUTION

For any and all disputes arising under the terms of any contract resulting from this procurement, vendors hereto agree, in compliance with the recommendations of the Governor and Attorney General, when considering settlement of such disputes, to utilize appropriate forms of non-binding alternative dispute resolution including but not limited to, mediation by and through the Attorney General’s Office of Administrative hearings or where appropriate, private mediators.

UNAVAILABILITY OF FUNDING: The Department, at its sole discretion, may terminate or reduce the scope of the contract if available funding is reduced for any reason.

U.S. FUNDS: All prices and payments must be in U.S. dollars.

APPENDIX C: TRADE SECRET AFFIDAVIT

Alabama Department of Human Resources

AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY

DEPARTMENT OF _____)

)ss.

County of _____)

_____ (Affiant), being first duly sworn under oath, and representing _____ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of _____, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # _____. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
- (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.
