

Disaster SNAP Android Instructions

You will need a picture of your driver's license and a picture of the document that proves your residency to complete the pre-screener process.

1. If you don't have a picture on your device, take a picture of your license.
2. Also, take a picture of a document that will prove your residency (address).

You will need Adobe Acrobat Reader installed on your Android device to complete the pre-screener. Search your device to determine if you have Adobe Acrobat Reader installed.

1. Click on the  icon on your Android phone.
2. Type "Adobe" in the search box
3. If a version of "Adobe Acrobat Reader" is installed, move on to Step 1.
4. If not, download it from the Play Store (it's a free download)
5. Once it is downloaded and installed proceed to Step 1.
