4. \_\_\_\_\_ **Take advantage of the “question and answer” period.** Submit your questions to the procurement officer by the due date listed in the Schedule of Events and view the answers given in the formal “addenda” issued for the RFP. All addenda issued for an RFP are posted on the Department’s website at [www.dhr.alabama.gov](http://www.dhr.alabama.gov) and will include all questions asked and responses concerning the RFP.

### 1.0 PROJECT OVERVIEW

The ALABAMA DEPARTMENT OF HUMAN RESOURCES, (hereinafter referred to as “the Department”) seeks qualified vendors to provide *Child Care Quality Enhancement Services* for the Child Care Subsidy Program in the State of Alabama. The Child Care Subsidy Program provides Alabama families equal access to affordable and quality child care services. ## **1.6 MANDATORY REQUIREMENTS**

Vendors are expected to respond to all of the requirements described in this document. The Department will determine whether a vendor's proposal meets the terms of the requirements. Proposals that do not meet all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive. Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer by the due date for receipt of written questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the vendor's ability to respond to the RFP or perform the contract.

*Note: The Department reserves the right to not enter into a new contract with a current vendor who is under a corrective action plan until all corrective requirements have been met.*

### **1.7.2 UNDERSTANDING OF SPECIFICATIONS AND REQUIREMENTS**

### **1.8.3 COST PROPOSAL FORMS**

Vendors **must** respond to this RFP by utilizing the cost proposal forms found in *Appendix E*. These forms will be used as the primary representation of each Vendor's cost, and will be used extensively during proposal evaluations. ### **1.8.4 TIMELY SUBMITTED PROPOSALS**

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

No criteria, other than that identified in this RFP, will be used.

### **2.1 VENDOR COMPETITION**

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies.

### **2.2 NONDISCRIMINATION**

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, political beliefs or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. The United States Citizenship and Immigration Services ([www.uscis.gov](http://www.uscis.gov)) provides E-Verify, an internet-based system that allows companies to determine their employees' eligibility to work in the United States. Vendors must participate in the E-Verify program and verify every employee that is required to be verified according to the applicable federal rules and regulations. Vendors must provide documentation to the Department establishing that they are enrolled in the E-Verify program.

Vendors must agree to not knowingly employ, hire for employment, or continue to employ a subcontractor to perform work under a contract that knowingly employs, hires for employment, or continues to employ an unauthorized alien. Any subcontractor hired to perform work under a contract must attest to such by sworn affidavit signed before a notary. Subcontractors must also enroll in the E-Verify program prior to performing any work on a project and must attach to the sworn affidavit documentation establishing that the subcontractor is enrolled in the E-Verify program.

## **2.4 NO BOYCOTT CLAUSE**

In compliance with Act 2016-312, vendors must attest that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.

Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the contract and shall be responsible for all damages resulting therefrom. (Appendix E)

## **2.8 DUNS NUMBER**

Vendors must obtain a Dun & Bradstreet, or D-U-N-S, Number, a unique nine-digit identification number for each physical location of your business. D-U-N-S Number assignment is free for all businesses required to register with the federal and state government for contracts or grants.

## **2.9 PROPOSAL EFFECTIVE PERIOD**

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn or canceled by the Vendor during this period.

## **2.10 TRADE SECRETS**

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a "trade secret" by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor's legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. If applicable, the Vendor's Legal Counsel must use the Department of Human Resources "Affidavit for Trade Secret Confidentiality" form when requesting the trade secret claim. The affidavit form (*Appendix C*) is included in this document.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a "right to know" (open records) request from another party.

## **2.11 PRE-SCREENING AND EVALUATION OF PROPOSALS**

### **2.11.1 PRE-SCREENING**

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review they will be classified “responsive” or “non-responsive”. However; proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

### **2.11.2 EVALUATION OF PROPOSALS**

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. ## SECTION 3: SCOPE OF PROJECT

### 3.0 QUALITY ENHANCEMENT SERVICES

The Child Care Subsidy Program provides Alabama families equal access to affordable and quality child care services. This program is responsible for directing and approving the development, implementation and administration of all services authorized under the Child Care Subsidy Program in the State of Alabama, including quality enhancement services. This includes interpreting federal and state laws, regulations and requirements; establishing program and funding priorities; promulgating all rules, policies and procedures governing the services to be provided; planning, coordinating and directing all program services.

Early childhood is a critical time for children to develop the skills they will need for the rest of their lives. Research tells us that high quality learning experiences for young children can have a profound effect on their future. The elements of high quality child care include:

- A. Good health and safety practices;
  - 1) A quality child care setting will have health and safety policies and procedures in place;
  - 2) Child care must occur in safe and healthy environments. A quality child care setting will have staff who are prepared for emergency situations and are trained to respond *appropriately*;
- B. Warm and responsive adult-child interactions;
- C. Developmentally appropriate learning activities;
- D. Activities that ensure that children are developing the social-emotional, gross motor, fine motor, literacy, language, pre-reading and numerical skills needed to be successful in school;
- E. Professional development opportunities for providers to obtain the training and education necessary for the implementation of child care programs that ensure that children start school ready to learn; and,
- F. Supportive and respectful caregiver-family relationships.

Priority will be given to programs: 1) with documented success in enhancing child care quality that involve strong collaboration at the local/regional and state level, and which have the potential for state-wide replication; 2) that effectively target the providers in all counties of the specified region; 3) that support providers and parents in providing an environment for children that is rich in language and literacy interactions; 4) that contain an assessment system that will include indicators for measuring outcomes in meeting the aforementioned elements; and 5) that are able to obtain project funding from sources (public and private) in addition to CCDF funds.

**ACCEPTANCE/REJECTION OF PROPOSALS:** The Department reserves the right to accept or reject any or all proposals, wholly or in part, and to make awards in any manner deemed in the best interest of the Department. Proposals will be firm for 180 days, unless stated otherwise in the text of the request for proposal.

**ACCESS AND RETENTION OF RECORDS:** The contractor agrees to provide the Department, Legislative Auditor, or authorized agents, access to any records necessary to determine contract compliance. The contractor agrees to create and retain records supporting the services rendered or supplies delivered for a period of three years after either the completion date of the contract or the conclusion of any claim, litigation, or exception relating to the contract taken by the Department or third party.

**ALTERATION OF SOLICITATION DOCUMENT:** In the event of inconsistencies or contradictions between language contained in the Department's solicitation document and a vendor's response, the language contained in the Department's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the vendor's disqualification and possible debarment.

**ASSIGNMENT, TRANSFER AND SUBCONTRACTING:** The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the Department.

**AUTHORITY:** The following request for proposal, limited solicitation, or contract is issued under authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3<sup>rd</sup> Sp. Sess., p 817, §1.)

**CHARGE BACKS:** The Alabama Department of Human Resources and Medicaid will deduct federal charge backs from future payments.

**COMPLIANCE WITH LAWS:** The contractor must, in performance of work under the contract, fully comply with all applicable federal, department, or local laws, rules and regulations, including the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Any subletting or subcontracting by the contractor subjects subcontractors to the same provision. The contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the contract.

**DEBARMENT:** The contractor certifies, by submitting this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the Department.

**DISABILITY ACCOMMODATIONS:** The Department does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. To obtain form for a certificate of authority, contact the Secretary of State, Corporation Division, (334) 242-5324. Not having this certificate does not keep the vendor from registering.

**HOLD HARMLESS/INDEMNIFICATION:** The contractor agrees to hold the Department, its elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, causes of action of any kind or character, including the cost of defense thereof, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed or omissions of services or in any way resulting from the acts or omissions of the contractor and/or its agents, employees, representatives, assigns, subcontractors, except for acts of omission resulting from the sole negligence of the Department, under this agreement.

**APPENDIX C: TRADE SECRET AFFIDAVIT**

**Alabama Department of Human Resources**

**AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY**

DEPARTMENT OF \_\_\_\_\_ )  
County of \_\_\_\_\_ )ss.

\_\_\_\_\_ (Affiant), being first duly sworn under oath, and representing \_\_\_\_\_ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of \_\_\_\_\_, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # \_\_\_\_\_. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
- (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.

## **APPENDIX F: INSTRUCTIONS FOR COST PROPOSAL**

The line items set forth in the Budget are defined below. Each line item must reflect the correct and complete information based on these definitions. For example, if travel costs are incurred in association with a particular cost item, the travel portion of the cost should be broken out and reflected as travel rather than included under the program function for which it was incurred. The first page represents a summary of the totals from the remaining pages. All budgeted funds are subject to departmental directives and the instructions set forth herein. For the budget items so designated, the Department's prior written approval must be obtained before the expense is actually incurred.
