1.6 MANDATORY REQUIREMENTS

Vendors are expected to respond to all of the requirements described in this document. The Department will determine whether a vendor's proposal meets the terms of the requirements. Proposals that do not meet all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive. Proposals that do not meet the requirements 1.6.1 through 1.6.8 will be deemed non-responsive and no other consideration will be given. **DO NOT ALTER ANY OF THE FORMS LISTED BELOW OR OTHERWISE INCLUDED/REQUIRED IN THIS DOCUMENT.**

By submitting a response to this RFP, vendors agree to acceptance of the standard terms and conditions of this RFP. Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer by the due date for receipt of written questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the vendor's ability to respond to the RFP or perform the contract.

Note: The Department reserves the right to not enter into a new contract with a current vendor who is under a corrective action plan until all corrective requirements have been met.

1.7.2 UNDERSTANDING OF SPECIFICATIONS AND REQUIREMENTS

By submitting a response to this RFP, vendors agree to an understanding of and compliance with the specifications and requirements described in this RFP.

1.7.3 PRIMARY VENDOR/SUBCONTRACTORS

The primary vendor if a contract is awarded shall be responsible, in total, for all work of any subcontractors. All subcontractors, if any, must be listed in the proposal. The vendor shall not assign, transfer or subcontract any portion of the contract without the written consent of the Department. The vendor shall be responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by the vendor. Any awards made as a result of this document will create a contractual relationship between the vendor and the Department, not the subcontractor.

1.7.4 VENDOR'S SIGNATURE

An individual authorized to legally bind the organization submitting the proposal must sign the original proposal in ink. The vendor's signature on a proposal in response to this RFP guarantees that the offer has been established without collusion that would preclude the Department from obtaining the best possible service for the best possible price.

1.8.1 REQUIRED COPIES AND DEADLINE FOR RECEIPT OF PROPOSALS

Vendors must submit **one (1)** original proposal, **seven (7)** copies and **one (1)** electronic (PDF preferred) copy on CD, DVD, or USB drive clearly labeled with the Vendor's name and the RFP title and number to:

Proposals must be sealed and labeled on the outside of the package to clearly indicate that they are in response to the **RFP# 2021-859-01 (Shelby County Wraparound Services)**. **Proposals must be received at the receptionist's desk of the Resource Development-Office of Procurement by 12:00 p.m., local time, Friday, June 04, 2021.** Two business (Monday-Friday) days prior to the due date, proposals may be hand delivered between the hours of 9:00 a.m. - 12:00 p.m. (with the exception of state and federal holidays). Faxed and electronically submitted responses to requests for proposals are NOT accepted.

1.8.2 FAILURE TO COMPLY WITH INSTRUCTIONS

Vendors failing to comply with these instructions may be deemed non-responsive or subject to point deductions. The Department may also choose to not evaluate, and disqualify from further consideration any proposals that do not follow the format described in Section 4: *Proposal Format and Instructions*, are difficult to understand or read, or are missing any requested information.

1.8.3 COST PROPOSAL FORMS

Vendors **must** respond to this RFP by utilizing the cost proposal forms found in *Appendix F*. These forms will be used as the primary representation of each Vendor's cost, and will be used extensively during proposal evaluations. Additional information should be included as necessary to explain in detail the Vendor's cost.

1.8.4 TIMELY SUBMITTED PROPOSALS

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

1.8.5 LATE PROPOSALS

Regardless of the cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be the Vendor's sole risk to assure delivery at the receptionist's desk at the designated office by the designated time. Late proposals will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

SECTION 2: STANDARD INFORMATION

2.0 AUTHORITY

This RFP is issued under the authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.). Any awards resulting from this RFP will be made based on stated evaluation criteria. The weight assigned to each criterion denotes the relative importance of that criterion. No criteria, other than that identified in this RFP, will be used.

2.1 VENDOR COMPETITION

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies.

2.2 NONDISCRIMINATION

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, political beliefs or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

2.3 CERTIFICATE OF COMPLIANCE AND E-VERIFY

Only U.S. citizens or foreign citizens who have the necessary authorization to legally work in the United States may be employed to work under any contract with the Department. Vendors must agree to not knowingly employ, hire for employment, or continue to employ an unauthorized alien, and must provide to the Department a certificate of compliance with the Beason-Hammon Alabama Taxpayer and Citizen Protection Act (*Appendix D*).

The United States Citizenship and Immigration Services (www.uscis.gov) provides E-Verify, an internet-based system that allows companies to determine their employees' eligibility to work in the United States. Vendors must participate in the E-Verify program and verify every employee that is required to be verified according to the applicable federal rules and regulations. Vendors must provide documentation to the Department establishing that they are enrolled in the E-Verify program.

Vendors must agree to not knowingly employ, hire for employment, or continue to employ a subcontractor to perform work under a contract that knowingly employs, hires for employment, or continues to employ an unauthorized alien. Any subcontractor hired to perform work under a contract must attest to such by sworn affidavit signed before a notary. Subcontractors must also enroll in the E-Verify program prior to performing any work on a project and must attach to the sworn affidavit documentation establishing that the subcontractor is enrolled in the E-Verify program.

2.4 NO BOYCOTT CLAUSE

In compliance with Act 2016-312, vendors must attest that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.

2.5 TERMINATION/ALTERNATIVE RESOLUTION

For any and all disputes arising under the terms of any contract resulting from this procurement, vendors hereto agree, in compliance with the recommendations of the Governor and Attorney General, when considering settlement of such disputes, to utilize appropriate forms of non-binding alternative dispute resolution including but not limited to, mediation by and through the Attorney General's Office of Administrative hearings or where appropriate, private mediators.

2.6 MERIT SYSTEM EXCLUSION

The vendor is not to be considered a merit system employee and is not entitled to any benefits of the State Merit System.

2.7 IMMIGRATION CLAUSE

By responding to this procurement, the vendor affirms, for the duration of any contract resulting from this procurement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama and any other location. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the contract and shall be responsible for all damages resulting therefrom. (Appendix E)

2.8 DUNS NUMBER

Vendors must obtain a Dun & Bradstreet, or D-U-N-S, Number, a unique nine-digit identification number for each physical location of your business. D-U-N-S Number assignment is free for all businesses required to register with the federal and state government for contracts or grants.

2.9 PROPOSAL EFFECTIVE PERIOD

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn or canceled by the Vendor during this period.

2.10 TRADE SECRETS

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a "trade secret" by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor's legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. If applicable, the Vendor's Legal Counsel must use the Department of Human Resources "Affidavit for Trade Secret Confidentiality" form when requesting the trade secret claim. The affidavit form (*Appendix C*) is included in this document.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a "right to know" (open records) request from another party.

2.11 PRE-SCREENING AND EVALUATION OF PROPOSALS

2.11.1 PRE-SCREENING

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review they will be classified “responsive” or “non-responsive”. However; proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

2.11.2 EVALUATION OF PROPOSALS

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

2.12 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor’s expense.

2.13 BEST AND FINAL OFFER

The Department reserves the right to request a “best and final offer” for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their “best and final offer,” which must include any and all discussed and/or negotiated changes.

2.14 PUBLIC REQUESTS FOR INFORMATION

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

2.15 COST OF PREPARING A PROPOSAL

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

2.16 DEPARTMENT’S RIGHTS RESERVED

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. Upon determination such actions would be in its best interest, the Department, in its sole discretion, reserves the right to the following:

2.16.1 PRE-SELECTION DISCRETION

The Department reserves the right at its sole discretion, at any time and for any reason, to reject any or all of the proposals submitted in response to this RFP, or to cancel this RFP, if it is deemed by the Department to be in its best interest to do so.

2.16.2 POST-SELECTION DISCRETION

Upon selection of a proposal, the Department reserves the right, at its sole discretion, at any time and for any reason, to change its decision with respect to the selection and to select another proposal, or to cancel the RFP, if it is deemed by the Department to be in its best interest to do so.

2.16.3 WAIVERS

Notwithstanding the amendment provisions otherwise set forth herein, the Department reserves the right at its sole discretion, to waive any minor irregularity in an otherwise valid proposal which would not jeopardize the overall program and to award a contract on the basis of such a waiver in the event the Department determines that such award is in the best interest of the Department. Minor irregularities are those which will not have a significant adverse effect on the overall program cost or performance.

2.16.4 NEGOTIATIONS

The Department reserves the right to negotiate with any vendor whose proposal is within the competitive range, as specified in the RFP with respect to technical plan and cost, as well as to select a vendor other than the vendor offering the lowest price.

2.16.5 ADOPTION OF IDEAS

The Department reserves the right to adopt to its use all or any part, of a vendor's proposal and to use any idea or all ideas presented in a proposal.

2.16.6 ORAL PRESENTATIONS

The Department reserves the right to require some or all of the vendors to provide oral presentations of their proposals.

2.16.7 AMENDMENTS

The Department reserves the right to amend the RFP. Except as provided above with respect to "WAIVERS" made by the Department, all amendments to the RFP will be made by written addendum issued by the Department and posted to the web at www.dhr.alabama.gov under this RFP link.

2.16.8 NO GUARANTEE OF CONTRACT

Selection of a proposal shall not be binding upon the Department and may or may not, at the Department's sole discretion, result in the Department entering into a contract with the vendor if it is in the best interest of Department not to proceed with contract execution.

2.16.9 RIGHT TO INVESTIGATE AND REJECT

The Department may make investigations as deemed necessary to determine the ability of the Vendor to perform the services specified. The Department reserves the right to reject any proposal if the evidence submitted by, or investigation of, the Vendor fails to satisfy the Department that the Vendor is properly qualified to carry out the obligations of the contract. This includes the Department's ability to reject the proposal based on negative references.

2.16.10 DISCLAIMER

Issuance of this RFP does not constitute a commitment by the Department to select any proposal submitted in response to the RFP, or to award a contract to any vendor who responds to this RFP.

SECTION 3: SCOPE OF PROJECT

3.0 SERVICE DESCRIPTION

A *Wraparound Team* will provide wraparound services to families who have an open Child Protective Services case with the Shelby County Department of Human Resources. Services will consist of an array of comprehensive, intensive in-home services to children and families in the service caseload of the Department. Service delivery will occur primarily in the family home setting or other locations based on the identified needs of the children and families. Examples may include but not be limited to: relative home, foster home, school setting, etc. Vendors must identify how their programs will meet the criteria and staff credentials and agency requirements as outlined in the RFP and must fully describe the design of their *Wraparound Team*, including intensity, prevention, and re-unification services. Services must be provided to families and children daily. Because families and children are now receiving and will continue to have need of Wraparound Services, the selected vendor must be fully operational on October 01, 2021.

3.1 STAFF QUALIFICATION REQUIREMENTS

The proposal must address how the vendor will meet the following requirements and qualifications for staff in each category:

Vendors must be familiar with the County's policies and procedures regarding Wraparound Services and Medicaid Rehabilitation Claiming. Staff must be monitored for compliance. All vendor staff providing in-home services must provide a physician's statement certifying they are free of infectious or contagious diseases. The program relies on a "team" approach because it is difficult for one worker to provide all concrete and counseling services to a family while objectively evaluating the family and its dynamics. Two workers must be assigned to each family for conducting the intervention with access to the team for support and back up. One worker will have primary responsibility for working with the family while the second worker will serve as back-up so continuity may continue in the absence of the primary Wraparound Team worker. Wraparound Team staff meetings should afford familiarity to all staff of Wraparound Team cases. Wraparound Team staff must be available to the Department seven (7) days a week, twenty-four (24) hours a day, 365 days per year. The selected vendor will provide each Wraparound Team staff person with cell phones.

SUPERVISOR: A supervisor must possess a master's degree or above from a university or college with an accredited program for the respective degrees in psychology, social work, counseling or other areas that require equivalent clinical course work. In addition, eligible individuals must have successfully completed a practicum as a part of the requirements for the degree or has six months postmaster's level clinical experience supervised by a master's level or above clinician with two years of postgraduate clinical experience. 3.3 STAFFING AND CASELOAD RESTRICTIONS

The Wraparound Team will service a minimum of thirty (30) individuals or families based on the needs identified in the Individualized Service Plan (ISP) process. The supervisor will not only provide supervision and support to the case manager, family support workers, clerical worker and drive but will provide in-home counseling, crisis intervention and/or other services as identified in the ISP with no restriction on the caseload size.

3.4 AVAILABILITY OF SERVICES

Services will be available 24 hours a day/7days a week/365 days a year. Staff will be available by cell phone to the Department. The Wraparound Team supervisor must be accessible at all times to the Wraparound Team staff and the Department.

3.5 SERVICE DELIVERY

The service delivery process will begin when a referral is made by the Department to the Wraparound Team. Upon referral, the Department must document that the family is being referred for either prevention of placement or for assistance with re-unification. Such documentation, as well as other pertinent social history, along with a referral form completed by the Department's staff and a copy of the families ISP, must accompany the referral. All updates on each family must be received monthly. Admissions are denied only if there are no available slots, warranting placement on a waiting list. An exception to the written referral and documentation procedure may be made only by the Department supervisor in the event of an emergency ISP requiring immediate intervention services with written documentation to follow at a later time.

Wraparound Team workers will be accessible to take referrals for the Department workers twenty-four (24) hours a day, seven (7) days a week via phone and/or a cell phone. At the time of the initial referral, an Intake Assessment meeting, required by Medicaid will be completed and a family client chart developed by the Department's worker. All referrals will be channeled through the Wraparound Team Supervisor who will consult with the Wraparound Team workers regarding available service slots. All referrals received will be listed in chronological order and contacted in the order of referral. The Department's Wraparound Team coordinator will reserve the right to advance a referral on the waiting list deemed to need immediate services. If there are no openings, Wraparound Team staff will attempt to locate another agency or resource for the family in an attempt to stabilize the situation prior to the actual initiation of services.

The Wraparound Team supervisor must contact the Department's referral worker, within two days of an anticipated opening, to obtain updated information and arrange an initial visit with a new family. When

possible, Wraparound Team worker will attend the initial ISP to understand and be better prepared to provide services to the family. Any variation of this procedure must be approved by the Department.

The supportive service vendor will service a minimum of thirty (30) families or approximately 70 individuals, based on the needs as identified in the ISP process. The *Wraparound Team* will accept cases (families) totaling thirty (30) hours of in-home services intervention per week. The thirty contact hours provided by the *Wraparound Team* will include travel time between client family homes and sufficient time for mental health consultation and documentation. The Wraparound Team will strive towards obtaining as many hours of in-home intervention as possible to meet the growing demands of referred families. The worker will serve the family through the home with work hours flexing to meet the criteria of the needs.

A case is identified as a family, not an individual child. Further, even if a child ultimately requires out-of-home placement, the services continue with the family to help them adjust to this transition and work towards reunification. Wraparound services are based on a perspective which views the family as a system consisting of all extended family members and support networks within the community. The Wraparound Team will work with families in their own homes where the problems are occurring and in the community. The Wraparound Team will seek to develop a family-like bond with all members of the client system to use the “extended family” relationship to help the family learn additional skills that they may use to function more effectively in the future.

The concept of unconditional care is reflected in an inclusive admission policy, the policy of accepting all referrals from the Department regardless of the difficulty of their behavioral problems, emotional disorders, handicaps, or needs. Admission is denied only if there is no available slot, warranting placement on a waiting list. Unconditional care is also reflected in the commitment to continue working with a child and family regardless of the problems that may arise during the services delivery process. Resistance, rejection and regression are seen as signals for new treatment approaches.

The Wraparound Team staff must be available twenty-four (24) hours a day, seven days a week to respond to crises. On-call responsibilities must rotate among staff, with each staff member remaining on-call for a one-week period. A cell phone service will be implemented to assure around-the-clock availability. The assigned Department on-call worker may attempt to reach one of the workers assigned to the family or may handle the situation personally. The Wraparound Team supervisor must provide back-up assistance in crises whenever necessary.

The Wraparound Team will provide interventions in alternate settings such as family home, the Department office, schools, courts, and other non-traditional settings which may include, but are not limited to: counseling-individual, marital, family or group counseling as deemed appropriate as identified in the treatment plan with focused treatment designed to maximize strengths and to reduce behavioral problems and/or functional deficits stemming from the existence of mental disorders or substance abuse problems, etc., that interfere with the client’s personal, familial, vocational and/or community adjustments. Counseling may occur with face-to-face interventions where interventions are tailored towards achieving goals and/or objectives of the client’s treatment plan. On-going assessments of the client/family presenting condition and progress will be noted in the on-going treatment sessions. A variety of therapeutic approaches and techniques may be used depending upon the needs whereby a number of workers go to the family’s home and see each family member individually. Subsequently, the entire group comes together and the workers share their impressions in an effort to encourage and facilitate family communication.

In-Home Intervention – Time limited home based services provided by the Wraparound Team (two person team, minimally composed of one masters level individual and one person with a bachelor’s degree) to defuse an immediate crisis situation, stabilizing the living arrangement, and preventing out-of-home placement of the client/family member.

Basic Living Skills – The program emphasizes skill building to enable child/family to maintain community tenure and to improve their capacity for independent living. This is achieved through training and assistance in developing or maintaining skills in the following categories: behavioral education, medication management, community awareness, money management, social skills, personal hygiene, meal preparation, housekeeping, shopping, public transportation, laundry, healthy lifestyles, stress management, maintain healthy environment, and tutoring. Basic Living Skills services are provided on an individual, as well as, group basis in order to leave families with the skills needed to cope and function more effectively. New skills will be taught also in the areas of communication, negotiation, emotion management, child management, assertiveness, household management, cognitive restructuring, independent living skills, competency development, daily life management, etc. To assist the worker in skill teaching, a wide range of resources will be available through the vendor including reading, homework sheets, videotapes, audio-tapes, etc. Various assessment tools may be utilized as a measurable tool to determine current skill level and needs to determine specific achievable goals in treatment planning. The worker may design special materials for individual families in order to facilitate learning of particular skills, which may include assistance in obtaining driver’s license and/or GED classes.

Mental Health Consultation and Coordination – The Wraparound Team will work with a wide variety of community agencies and resources to coordinate and arrange for services needed by family members. For example, if there is a school problem, the worker will coordinate with school personnel to resolve conflict and advocate for needed services and support. A major aspect of the intervention involves connecting families with appropriate community resources for on-going services. This may include helping the family to obtain food, housing, clothing, financial assistance, transportation, medical or dental services, etc. While workers utilize an array of community support in this effort, they will also undertake to involve natural supports such as extended family when appropriate.

Family Support – The Wraparound Team service workers will help rehabilitate and strengthen the family’s ability to provide a safe, nurturing home environment for their children. Direct services to the families will assist them in understanding the nature of the underlying conditions of their family members and help the child to be maintained in the community. These services will include therapeutic modeling, behavioral support management, educational advocacy and therapeutic visitation support. The Wraparound Team service workers will work with the family to develop respite care, provide behavioral aide assistance, tutorial services, medical intervention and monitoring and therapeutic visitation when deemed appropriate. On-going support groups will be provided to help parents learn to network and enhance skills for improving community living.

Collateral Services – The Wraparound Team service workers will work with the Department in coordinating community-based services.

The Wraparound Team workers will complete daily Medicaid documentation per Provider Manual for Rehabilitative Service by Alabama Medicaid Agency and submit monthly billing to the Department.

A narrative description of each line item and also the responsibilities of all personnel must also be submitted. Vendors must submit two (2) annual budgets for the following periods: 1) *Year 1 for October 01, 2021 through September 30, 2022*; and 2) *Year 2 for October 01, 2022 through September 30, 2023*. and *Year 3 for October 01, 2023 through September 30, 2024*.

The rate structure for this procurement is as follows:

In home room and board \$1,970.00

Out-of-home room and board for one child \$3,442.97

Add on rate for each additional child in out- of-home \$1,721.49

ACCESS AND RETENTION OF RECORDS: The contractor agrees to provide the Department, Legislative Auditor, or authorized agents, access to any records necessary to determine contract compliance. The contractor agrees to create and retain records supporting the services rendered or supplies delivered for a period of three years after either the completion date of the contract or the conclusion of any claim, litigation, or exception relating to the contract taken by the Department or third party.

ALTERATION OF SOLICITATION DOCUMENT: In the event of inconsistencies or contradictions between language contained in the Department's solicitation document and a vendor's response, the language contained in the Department's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the vendor's disqualification and possible debarment.

ASSIGNMENT, TRANSFER AND SUBCONTRACTING: The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the Department.

AUTHORITY: The following request for proposal, limited solicitation, or contract is issued under authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.)

CHARGE BACKS: The Alabama Department of Human Resources and Medicaid will deduct federal charge backs from future payments.

COMPLIANCE WITH LAWS: The contractor must, in performance of work under the contract, fully comply with all applicable federal, department, or local laws, rules and regulations, including the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. If the contractor cannot certify this statement, attach a written explanation for review by the Department.

DISABILITY ACCOMMODATIONS: The Department does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. APPENDIX C: TRADE SECRET AFFIDAVIT

Alabama Department of Human Resources

AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY

DEPARTMENT OF _____)
County of _____)ss.

_____ (Affiant), being first duly sworn under oath, and representing _____ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of _____, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.
2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # _____. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.
3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:
 - (a) trade secrets meeting the requirements of the Act; and
 - (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.
4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:
 - (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
 - (b) the proposal may not contain trade secret matter in the cost or price; and
 - (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.
5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.
6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.
