No criteria, other than that identified in this RFP, will be used.

2.1 VENDOR COMPETITION

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies.

2.2 NONDISCRIMINATION

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, political beliefs or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

Vendors must participate in the E-Verify program and verify every employee that is required to be verified according to the applicable federal rules and regulations. Vendors must provide documentation to the Department establishing that they are enrolled in the E-Verify program.

Vendors must agree to not knowingly employ, hire for employment, or continue to employ a subcontractor to perform work under a contract that knowingly employs, hires for employment, or continues to employ an unauthorized alien. Any subcontractor hired to perform work under a contract must attest to such by sworn affidavit signed before a notary. Subcontractors must also enroll in the E-Verify program prior to performing any work on a project and must attach to the sworn affidavit documentation establishing that the subcontractor is enrolled in the E-Verify program.

2.4 NO BOYCOTT CLAUSE

In compliance with Act 2016-312, vendors must attest that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.

2.5 TERMINATION/ALTERNATIVE RESOLUTION

For any and all disputes arising under the terms of any contract resulting from this procurement, vendors hereto agree, in compliance with the recommendations of the Governor and Attorney General, when considering settlement of such disputes, to utilize appropriate forms of non-binding alternative dispute resolution including but not limited to, mediation by and through the Attorney General's Office of Administrative hearings or where appropriate, private mediators.

2.8 DUNS NUMBER

Vendors must obtain a Dun & Bradstreet, or D-U-N-S, Number, a unique nine-digit identification number for each physical location of your business. D-U-N-S Number assignment is free for all businesses required to register with the federal and state government for contracts or grants.

2.9 PROPOSAL EFFECTIVE PERIOD

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn or canceled by the Vendor during this period.

2.10 TRADE SECRETS

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a "trade secret" by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor's legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. If applicable, the Vendor's Legal Counsel must use the Department of Human Resources "Affidavit for Trade Secret Confidentiality" form when requesting the trade secret claim. The affidavit form (*Appendix C*) is included in this document.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a "right to know" (open records) request from another party.

2.11 PRE-SCREENING AND EVALUATION OF PROPOSALS

2.11.1 PRE-SCREENING

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review they will be classified “responsive” or “non-responsive”. However; proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

2.11.2 EVALUATION OF PROPOSALS

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

2.12 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor’s expense.

2.13 BEST AND FINAL OFFER

The Department reserves the right to request a “best and final offer” for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their “best and final offer,” which must include any and all discussed and/or negotiated changes.

2.14 PUBLIC REQUESTS FOR INFORMATION

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

2.15 COST OF PREPARING A PROPOSAL

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

2.16 DEPARTMENT’S RIGHTS RESERVED

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. Upon determination such actions would be in its best interest, the Department, in its sole discretion, reserves the right to the following:

2.16.1 PRE-SELECTION DISCRETION

The Department reserves the right at its sole discretion, at any time and for any reason, to reject any or all of the proposals submitted in response to this RFP, or to cancel this RFP, if it is deemed by the Department to be in its best interest to do so.

2.16.2 POST-SELECTION DISCRETION

SECTION 3: SCOPE OF PROJECT

3.0 SCOPE OF PROJECT

The ALABAMA DEPARTMENT OF HUMAN RESOURCES, (hereinafter referred to as “the Department” and “DHR”) seeks qualified vendors to provide **one hundred (100)** statewide slots of Moderate Residential Services for Children. The Department is seeking to improve local capacity and provide a continuum of residential treatment services. The Department is seeking vendors who reinforce the value of serving youth locally in a well-coordinated system of care which is seamless for the youth/family outcome driven, culturally competent, standardized in term of multi-disciplinary assessment, cost effective and collaborative in nature in building partnerships to sustain quality services. The Department is seeking vendors who can increase stability for youth in placement, reduce the length of time a youth spends in care and enhance reunification and permanency options and outcomes for a youth. The Department seeks vendors with the ability to provide ancillary services to preserve or maintain successful placement stability including, but not limited to individual aide services. The primary outcomes for these youth are safety, permanency and well-being. All vendors must incorporate these outcomes into their treatment plans and program curriculum. No eject/no reject will be strictly monitored by SDHR Resource Management and Family Services. The anticipated length of stay is eight to ten months. Dependent on the unique situation of each youth, the length of stay may be longer, if approved by SDHR Resource Management and Family Services. Length of stay will be monitored by SDHR Utilization Review. Therapeutic programs should be modified and individualized to meet the youth’s unique set of needs. Discharges based on the youth’s maximization of benefits of the program should not occur.

Many of the youth suffer from emotional, psychological, behavioral, cognitive and learning problems. Youth must have a Diagnostic & Statistical Manual; Fifth Edition (DSM-V) diagnosed mental illness from a psychological evaluation conducted within the past 24 months. An assessment of the youth’s behavior by the Multi-dimensional Assessment Tool (MAT) indicating that the youth needs placement in this level of program must be completed prior to placement. With the approval of SDHR Resource Management, the program can take the youth into pre-placement awaiting the results of the MAT. These youth are also at a greater risk of being involved in the child welfare system for a longer period of time. Therefore, these youth are at a greater short-term risk of unstable placements and at a greater long-term risk for poor overall educational, social, health and poverty outcomes. Programs that incorporate evidenced based logic and treatment models and successful histories of effectively working with youth who have trauma, conduct disorders, cognitive impairment, sexual behavior disorders, and other mental health and attachment difficulties are currently needed to improve services and long-term outcomes for high risk youth.

Services will be individualized and capitalize on the strengths of the youth and family. The following service components shall be available to youth residing in moderate residential treatment:

APPENDIX C: TRADE SECRET AFFIDAVIT

Alabama Department of Human Resources

AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY

DEPARTMENT OF _____)
County of _____)ss.

_____ (Affiant), being first duly sworn under oath, and representing _____ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of _____, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.
2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # _____. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.
3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:
 - (a) trade secrets meeting the requirements of the Act; and
 - (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.
4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:
 - (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
 - (b) the proposal may not contain trade secret matter in the cost or price; and
 - (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.
5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.
6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.
