### **Child Care Workforce Stabilization (CCWS) Grant Application and Guidance**

The Talladega Clay Randolph Child Care Corporation in collaboration with The Alabama Department of Human Resources (hereinafter referred to as the Department) is accepting applications for Child Care Workforce Stabilization (CCWS) Grants. The purpose of the CCWS Grants are to assist child care providers in attracting and retaining a qualified and skilled workforce in the aftermath of the pandemic. The CCWS Grants are funded with Child Care Stabilization Funds provided by the American Rescue Plan Act.

It is recommended child care providers read all guidance prior to submitting a CCWS Grant Application. Please note, an application that is submitted incomplete or with errors may result in a significant delay in receiving any eligible funding. For questions regarding the application, please call (256) 362-3852 ext. 31 or email [CCWS@tcrchildcare.org](mailto:CCWS@tcrchildcare.org)

#### **Who is eligible to apply?**

Grants will be awarded to eligible child care providers contingent upon availability of funding. In order to be eligible to apply for the CCWS Grant, a child care provider must meet the following criteria:

- Have a license to operate a child care facility from the Department as of March 11, 2021, the date the American Rescue Plan Act was signed into law (per the Alabama Child Care Safety Act of 2018, only licensed providers are eligible to receive state and/or federal funding);
- Have no current adverse action imposed by the Department, including probation, revocation, or suspension;
- Serve private-pay children, children participating in the Child Care Subsidy Program, and/or children enrolled in the DHR Early Head Start-Child Care Partnership Program (programs that exclusively serve children funded by First Class Pre-K, Head Start, or Early Head Start are not eligible);
- Be currently open and operating as of the date the Child Care Workforce Stabilization Grant Application is submitted;
- Continue to remain open and operating for a period of one (1) year from the date of receiving the grant award. This requirement does not include temporary closures consistent with the ordinary course of business (i.e. – weather, illness, holidays). Child care providers must seek the Department’s approval for any permanent closures for which they are seeking to be exempt from repayments due to mitigating circumstances.

#### **How much money will be received?**

The total quarterly grant amounts will enable a child care provider to pay each eligible staff person on the child care facility’s payroll a quarterly bonus for a period up to 2 years.

The quarterly bonus shall be \$1, 500 for each full-time staff person employed by the child care facility and \$750 for each part-time staff person employed by the child care facility. For the purposes of the CCWS

Grant. Full-time is considered work performed an average of more than 25 hours per week and part-time work is an average of 16 to 25 hours per week at the same child care facility during a month. Substitutes are eligible for the bonus however eligibility is exclusive to one employer. The substitute must work a minimum of 16 hours per week for one employer to be consider for the bonus.

**The following calculation will be used to determine the grant award.**

$$\begin{aligned} &\underline{\text{Number of Full-Time Employees} \times \$1,500 \text{ quarterly bonus} = A} \\ &\underline{\text{Number of Part-Time Employees} \times \$750 \text{ quarterly bonus} = B} \\ &\underline{A + B = \text{Total Grant Amount}} \end{aligned}$$

**EXAMPLE: DHR Child Care Center has 12 full-time employees and 3 part-time employees.**

$$\begin{aligned} &\underline{12 \text{ Full-Time Employees} \times \$1,500 = \$18,000} \\ &\underline{3 \text{ Part-Time Employees} \times \$750 = \$2,250} \\ &\underline{\$18,000 + \$2,250 = \$20,250} \end{aligned}$$

**Therefore, DHR Child Care Center is eligible to receive a grant award of \$20,250.**

#### **How can CCWS Grant Funding be used?**

CCWS grant funds must be used to pay quarterly bonuses to each eligible staff person employed at the child care facility on the facility's payroll. This includes, but is not limited to, directors, teachers, caregivers, assistant teachers, assistant caregivers, floaters, cooks, custodians, receptionists, substitutes, and van drivers. A staff person who is considered a volunteer and is not on the child care facility's payroll is not eligible for the bonus.

The bonus shall be paid in addition to regular wages and fringe benefits. For each eligible staff person on the facility's payroll, the child care provider must continue to pay at least the same amount of weekly wages and maintain the same benefits (such as health insurance and retirement) for the duration of the CCWS grant. The child care provider shall not furlough paid employees from the date of the submission of the CCWS Grant Application through the duration of the subgrant period.

Each staff person that is on the facility's payroll that is paid a bonus shall have a complete record on file at the child care facility. Child care providers should refer to the Child Care Licensing and Performance Standards for Day Care Centers and Nighttime Centers and the Child Care Licensing and Performance Standards for Family Day Care Homes, Family Nighttime Homes, and Group Daycare Homes, Group Nighttime Homes for requirements regarding staff records. Staff must be employed for 30 days prior to the grant application.

The bonuses shall be paid to employees on a quarterly basis. Each approved facility will receive payment on or before the paid by date listed in the grant payout schedule. The employer will have 30 days to pay the funds to qualifying employees listed on the grant application. The grantee must provide payroll documentation within 2 weeks of the payment being made to staff.

The quarterly bonus shall be \$1500 for each full-time staff person employed at the child care facility. A person is considered full-time if they work more than 25 hours per week at the facility. The quarterly bonus shall be \$750 for each part-time staff person employed at the child care facility. A person is

considered part-time if they work an average of 25 hours or less per week at the facility. The applicant may use a monthly average for staff to determine full-time or part-time should hours fluctuate each week.

If an employee works at multiple sites operated by the same child care provider, an employee is only eligible to receive one (1) bonus per quarter. For example, Jane Doe works at DHR Child Care Center Site I for 10 hours per week and also works at DHR Child Care Center Site II for 10 hours per week. Jane Doe is not eligible for a \$750 bonus from Site I and a \$750 bonus from Site II. Because Jane Doe works a total of 20 hours per week at both child care facilities operated by the same child care provider, Jane Doe is considered part-time (she works 25 hours or less per week at both facilities combined) and is eligible to receive a total of \$750 in quarterly bonus pay from the child care provider operating both facilities.

**When is the deadline to apply?**
