TABLE 22.

The JOBS Program

The Temporary Assistance for Needy Families (TANF) program, established by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), required states to provide work and training services to recipients of Family Assistance (FA). Called JOBS in Alabama, the program emphasizes work activities and employment of recipients. Child care and other supportive services are available to JOBS participants. The Deficit Reduction Act of 2005 (DRA) made significant changes to TANF requiring states to operate a more intensive JOBS Program and drastically increased the documentation and tracking requirements.
