1/ Only includes adults for whom a service fee was paid.

2/ Payments based on a rate of \$30.00 per month for basic foster care and \$110.00 per month for specialized foster care. Payments for adult foster care include only service fees.

Board payments are made from the client's income. Clients who receive a State Supplementation payment for adult foster care are not eligible for adult foster care service fees.

3/ In addition, \$0.00 was paid for 0 adult for emergency shelter care, which is a component of adult protective services.

**SOCIAL SERVICES**

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,248 for the month of February. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, \$410.00; 3-5 years, \$423.00; 6-12 years, \$434.00; and 13-18 years (19 if last year in high school), \$446.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Administrative responsibility for this program has been transferred to the Alabama Medicaid Agency as of June 1, 2003.

**TABLE 22.**

**The JOBS Program**

The Temporary Assistance for Needy Families (TANF) program, established by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), required states to provide work and training services to recipients of Family Assistance (FA). Called JOBS in Alabama, the program emphasizes work activities and employment of recipients. Child care and other supportive services are available to JOBS participants. The Deficit Reduction Act of 2005 (DRA) made significant changes to TANF requiring states to operate a more intensive JOBS Program and drastically increased the documentation and tracking requirements.
