4. \_\_\_\_\_ **Take advantage of the “question and answer” period.** Submit your questions to the procurement officer by the due date listed in the Schedule of Events and view the answers given in the formal “addenda” issued for the RFP. All addenda issued for an RFP are posted on the Department’s website at [www.dhr.alabama.gov](http://www.dhr.alabama.gov) and will include all questions asked and responses concerning the RFP.

9. \_\_\_\_\_ **Review and read the RFP document again** to make sure that you have addressed all requirements. Your original response and the requested copies must be identical and be complete. The copies are provided to the evaluation committee members and will be used to score your response.
10. \_\_\_\_\_ **Submit your response on time.** Note all the dates and times listed in the Schedule of Events and within the document, and submit all required items on time. Late proposal responses are *never* accepted.

## **SECTION 1: PROJECT OVERVIEW AND INSTRUCTIONS**

### **1.0 PROJECT OVERVIEW**

The Alabama Department of Human Resources is seeking qualified vendors to provide forty (40) slots to assist with providing short term assessment and care coordination for youth under 21 years of age at risk of inpatient mental health hospitalizations (IPMH) or placement in long term Psychiatric Residential Treatment Facility (PRTF). The Department is also seeking to foster resilience and hope in youth and families. Providers are expected to create a highly structured environment that can provide for the stabilization and assessment of youth whose treatment needs require individualized care at the intensive service delivery level. The program will address the needs of youth with challenging behaviors and dispositions that require stabilization of the behavioral health symptoms that place them at risk for repeated disruption of services, increased placement moves, and acute hospitalization.

A more complete description of the services sought for this project is provided in *Section 3, Scope of Project*. Proposals submitted in response to this solicitation must comply with the instructions and procedures contained herein.

## **1.6 MANDATORY REQUIREMENTS**

Vendors are expected to respond to all of the requirements described in this document. The Department will determine whether a vendor's proposal meets the terms of the requirements. Proposals that do not meet all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive. Proposals that do not meet the requirements 1.6.1 through 1.6.8 will be deemed non-responsive and no other consideration will be given. **DO NOT ALTER ANY OF THE FORMS LISTED BELOW OR OTHERWISE INCLUDED/REQUIRED IN THIS DOCUMENT.**

### **1.6.1 DEADLINE FOR RECEIPT OF PROPOSALS**

Proposals must adhere to the format requirements and must be received by the deadline for receipt of proposals as specified in the Schedule of Events and Section 1.8.1 *Required Copies and Deadline for Receipt of Proposals*.

Vendors must include a completed copy of the Disclosure Statement in their proposals.

### **1.6.4 CERTIFICATE OF COMPLIANCE**

Vendors must submit a completed, signed copy of the certificate of compliance (*Appendix D*) with their proposals.

### **1.6.5 E-VERIFY MOU**

## **1.7 GENERAL REQUIREMENTS**

### **1.7.1 ACCEPTANCE OF STANDARD TERMS AND CONDITIONS**

By submitting a response to this RFP, vendors agree to acceptance of the standard terms and conditions of this RFP. Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer by the due date for receipt of written questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the vendor's ability to respond to the RFP or perform the contract.

*Note: The Department reserves the right to not enter into a new contract with a current vendor who is under a corrective action plan until all corrective requirements have been met.*

### **1.7.2 UNDERSTANDING OF SPECIFICATIONS AND REQUIREMENTS**

By submitting a response to this RFP, vendors agree to an understanding of and compliance with the specifications and requirements described in this RFP.

### **1.7.3 PRIMARY VENDOR/SUBCONTRACTORS**

The primary vendor if a contract is awarded shall be responsible, in total, for all work of any subcontractors. All subcontractors, if any, must be listed in the proposal. The vendor shall not assign, transfer or subcontract any portion of the contract without the written consent of the Department. The vendor shall be responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by the vendor. Any awards made as a result of this document will create a contractual relationship between the vendor and the Department, not the subcontractor.

### **1.7.4 VENDOR'S SIGNATURE**

An individual authorized to legally bind the organization submitting the proposal must sign the original proposal in ink. The vendor's signature on a proposal in response to this RFP guarantees that the offer has been established without collusion that would preclude the Department from obtaining the best possible service for the best possible price.

### **1.8.1 ELECTRONIC SUBMISSION OF PROPOSALS**

Vendors must submit **one (1)** electronic proposal, clearly labeled with the Vendor's name, RFP title and number and include authorizing official's signature to:

Proposals must subscribe to the section/subsection headings and numbering format (i.e., **4.2.5.1 Vendor Qualifying Information**) as specified in *Section 4 Proposal Format and Instructions*. Proposals must clearly indicate that they are in response to the **RFP# 2022-100-06**). **Proposals must be submitted electronically to [sdhr.procurement@dhr.alabama.gov](mailto:sdhr.procurement@dhr.alabama.gov). by February 07, 2023/Extended Due Date at 12:00 p.m. CST.**

### **1.8.2 FAILURE TO COMPLY WITH INSTRUCTIONS**

Vendors failing to comply with these instructions may be deemed non-responsive or subject to point deductions. The Department may also choose to not evaluate, and disqualify from further consideration any proposals that do not follow the format described in Section 4: *Proposal Format and Instructions*, are difficult to understand or read, or are missing any requested information.

### **1.8.3 COST PROPOSAL FORMS**

Vendors **must** respond to this RFP by utilizing the cost proposal forms found in *Appendix F*. These forms will be used as the primary representation of each Vendor's cost, and will be used extensively during proposal evaluations. Additional information should be included as necessary to explain in detail the Vendor's cost.

### **1.8.4 TIMELY SUBMITTED PROPOSALS**

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

### **1.8.5 LATE PROPOSALS**

***Regardless of the cause, late proposals will not be accepted and will automatically be disqualified from further consideration.*** It shall be the Vendor's sole risk to assure delivery at the receptionist's desk at the designated office by the designated time. Late proposals will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

## **SECTION 2: STANDARD INFORMATION**

### **2.0 AUTHORITY**

This RFP is issued under the authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3<sup>rd</sup> Sp. Sess., p 817, §1.). Any awards resulting from this RFP will be made based on stated evaluation criteria. The weight assigned to each criterion denotes the relative importance of that criterion. No criteria, other than that identified in this RFP, will be used.

### **2.1 VENDOR COMPETITION**

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies.

### **2.2 NONDISCRIMINATION**

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, political beliefs or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

### **2.3 CERTIFICATE OF COMPLIANCE AND E-VERIFY**

Only U.S. citizens or foreign citizens who have the necessary authorization to legally work in the United States may be employed to work under any contract with the Department. Vendors must agree to not knowingly employ, hire for employment, or continue to employ an unauthorized alien, and must provide to the Department a certificate of compliance with the Beason-Hammon Alabama Taxpayer and Citizen Protection Act (*Appendix D*).

The United States Citizenship and Immigration Services ([www.uscis.gov](http://www.uscis.gov)) provides E-Verify, an internet-based system that allows companies to determine their employees' eligibility to work in the United States. Vendors must participate in the E-Verify program and verify every employee that is required to be verified according to the applicable federal rules and regulations. Vendors must provide documentation to the Department establishing that they are enrolled in the E-Verify program.

Vendors must agree to not knowingly employ, hire for employment, or continue to employ a subcontractor to perform work under a contract that knowingly employs, hires for employment, or continues to employ an unauthorized alien. Any subcontractor hired to perform work under a contract must attest to such by sworn affidavit signed before a notary. Subcontractors must also enroll in the E-Verify program prior to performing any work on a project and must attach to the sworn affidavit documentation establishing that the subcontractor is enrolled in the E-Verify program.

## **2.4 NO BOYCOTT CLAUSE**

In compliance with Act 2016-312, vendors must attest that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.

## **2.5 TERMINATION/ALTERNATIVE RESOLUTION**

For any and all disputes arising under the terms of any contract resulting from this procurement, vendors hereto agree, in compliance with the recommendations of the Governor and Attorney General, when considering settlement of such disputes, to utilize appropriate forms of non-binding alternative dispute resolution including but not limited to, mediation by and through the Attorney General's Office of Administrative hearings or where appropriate, private mediators.

## **2.6 MERIT SYSTEM EXCLUSION**

The vendor is not to be considered a merit system employee and is not entitled to any benefits of the State Merit System.

## **2.7 IMMIGRATION CLAUSE**

By responding to this procurement, the vendor affirms, for the duration of any contract resulting from this procurement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama and any other location. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the contract and shall be responsible for all damages resulting therefrom. (Appendix E)

## **2.8 DUNS NUMBER**

Vendors must obtain a Dun & Bradstreet, or D-U-N-S, Number, a unique nine-digit identification number for each physical location of your business. D-U-N-S Number assignment is free for all businesses required to register with the federal and state government for contracts or grants.

## **2.9 PROPOSAL EFFECTIVE PERIOD**

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn or canceled by the Vendor during this period.

## **2.10 TRADE SECRETS**

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a "trade secret" by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor's legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. If applicable, the Vendor's Legal Counsel must use the Department of Human Resources "Affidavit for Trade Secret Confidentiality" form when requesting the trade secret claim. The affidavit form (*Appendix C*) is included in this document.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a "right to know" (open records) request from another party.

## **2.11 PRE-SCREENING AND EVALUATION OF PROPOSALS**

### **2.11.1 PRE-SCREENING**

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review they will be classified “responsive” or “non-responsive”. However; proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

### **2.11.2 EVALUATION OF PROPOSALS**

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

## **2.12 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION**

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor’s expense.

### **2.13 BEST AND FINAL OFFER**

The Department reserves the right to request a “best and final offer” for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their “best and final offer,” which must include any and all discussed and/or negotiated changes.

### **2.14 PUBLIC REQUESTS FOR INFORMATION**

## **SECTION 3: SCOPE OF PROJECT**

### **3.0 SCOPE OF PROJECT**

The Alabama Department of Human Resources is seeking qualified vendors to provide forty (40) slots to assist with providing short term assessment and care coordination for youth under 21 years of age at risk of inpatient mental health hospitalizations (IPMH) or placement in long term Psychiatric Residential Treatment Facility (PRTF). The Department is also seeking to foster resilience and hope in youth and families. Providers are expected to create a highly structured environment that can provide for the stabilization and assessment of youth whose treatment needs require individualized care at the intensive service delivery level. The program will address the needs of youth with challenging behaviors and dispositions that require stabilization of the behavioral health symptoms that place them at risk for repeated disruption of services, increased placement moves, and acute hospitalization.

The Department seeks providers with the ability to provide ancillary services to preserve or maintain successful placement stability including, but not limited to individual aide services. The primary outcomes for these youth are safety, permanency and well-being. All service providers must incorporate these outcomes into their treatment plans and program curriculum. Referrals will require approval from SDHR Resource Management and Family Services. The STAACC Program will serve between 30- 40 youth a year. No eject/no reject will be strictly managed. The anticipated length of stay is 60-90 days. Dependent on the unique situation of each youth, the length of stay may be shorter or longer. In situations where a longer stay is determined necessary by the treatment team and ISP, approval must be obtained by SDHR Resource Management and Family Services. Length of stay will be monitored by SDHR Utilization Review. Therapeutic programs should be modified and individualized to meet the youth's unique set of needs. Discharges based on the youth's maximization of benefits of the program should not occur. Other treatment options and modalities should be explored and utilized prior to discharge.

The target population of youth may demonstrate severe emotional distress, placement disruption, unpredictable aggression, self-harm, severe impulsivity, severe delinquent behaviors, chronic runaways, display manipulative behaviors, have difficulty maintaining self-control, display poor self-esteem, and have difficulty in accepting authority. Autism Spectrum Disorder and Intellectual Disabilities are exclusionary diagnoses for this STAACC; however, some ID and ASD diagnosed youth may be accepted on a case-by-case basis.

An aftercare plan with discharge environment will be developed and implemented no later than 30 day of referral. The development of the aftercare plan should allow the opportunity for intensive work with family/caregivers and supports in transition planning to establish a successful discharge. The selected STAACC vendor, however, will not reject a referral, deny admission, or prematurely discharge a youth because they do not have a secured discharge environment. The Department of Human Resources is committed to partnering with the STAACC provider to identify the appropriate, safe, and secure discharge environment for each youth. The STAACC proposed in this plan will function as an intensive "inpatient diversion" treatment program for those for whom an acute inpatient stay is currently not required or indicated to stabilize the youth for safety purposes. This program will also be able to serve as a "step down" for youth discharging from inpatient mental health services that would benefit from additional stabilization before transitioning to community-based services.

The program will address the needs of youth with challenging dispositions who also require stabilization of acute behavioral health symptoms that place them at risk of IPMH admission or long-term Residential Treatment (PRTF).

Many of the youth suffer from emotional, psychological, behavioral, cognitive and learning problems. Youth must have a Diagnostic & Statistical Manual; Fifth Edition (DSM-V) diagnosed mental illness from a psychological evaluation conducted within the past 24 months. Providers shall utilize a clinical treatment model that is evidenced based and an approach to service delivery that promotes flexible, individualized treatment and effective utilization of program resources. The services are designed to provide treatment to youth whose

clinical needs indicate that they need an intensive level of care. The services are comprehensive, multidisciplinary, multimodal therapies designed to meet the individual needs of youth who have psychiatric disorders. Youth may present with at least one of the following:

- Manifests psychotic symptoms that are disruptive to daily functioning, but the youth does not require inpatient hospitalization.
- Potential danger to self as exemplified by suicidal ideation without a plan or determined to be at risk of self-harm
- Unable to adequately function in multiple areas due to psychiatric symptoms and/or behavioral issues and requires targeted clinical intervention
- Manifests poor judgement and lacks problem-solving skills to the extent that the youth might inadvertently place themselves in life-threatening situations.
- Currently taking multiple psychotropic medications which require a higher level of medication monitoring and psychiatric intervention.
- Multiple psychiatric hospitalizations within past 12-month period.

Providers are expected to serve youth who present with the above needs but who may also be involved in the juvenile justice system and/or have legal charges related to aggressive/assaultive behaviors, sexually reactive behavior, fire starting behavior, etc.

This could include, but is not limited to:

- Permanent placement with family, foster, adoptive family, or independent living
- Reduction in the restrictiveness of living situations pre/post STAACC utilization
- Attachments with positive adult(s) established
- Regular clinical and administrative supervision
- Monthly clinical documentation reviews

The selected vendor of the STAACC is also expected to have a quality management plan and monitoring protocol for the program. Responsibilities will include:

- The collection and analysis of structural, process, and outcomes measures
- Monitoring progress related to established goals and make continuous quality improvements to established or new initiatives

The Quality Management deliverables will include:

- Minimum qualitative and quantitative reporting of measures reflecting the operational and service development status, delivered annually.

### **3.6 Program Phases**

Initially, treatment will focus on assessment, engagement, treatment planning, identification of a discharge environment, and behavioral health recommendations. A face-to-face clinical assessment will be initiated upon admission and include mental status, level of risk, tobacco use, drug and alcohol screening, a trauma and psychosocial history, as well as relevant physical health issues impacting the youth. Assessments will also include a thorough review of treatment history and collaboration with current supports and treatment providers. Assessment and planning must be strength-based and resilience-focused. A longitudinal review of a youth's history must include identification of strengths and resources. Assessment of the youth's informal supports as well as weaving these supports into the team and planning are essential. The youth and his/her supports must be the lead of treatment planning. Engagement in setting goals and leading treatment course will occur immediately upon admission and ideally should occur prior, when appropriate.

Within the first week of treatment, a multidisciplinary team will be established to support the youth. They will convene to review treatment history and needs, goals for STAACC, and establish clear plans to define the youth's discharge plan and multi system longitudinal planning. Within first 30 days, a longitudinal mental health treatment plan will be established that includes discharge treatment and

**SECTION 3: SCOPE OF PROJECT**

discharge placement. A minimum of bi-weekly team meetings will occur for the duration of treatment and will include all team members to ensure active collaboration and progression of planning.

During the course of treatment, the focus will be on stabilization and reduction in maladaptive behaviors while setting the groundwork for discharge and behavioral health aftercare planning. The youth's stay will include intensive and ongoing community and system collaboration to increase the likelihood that the youth will have a safe and secured discharge environment.

Each youth will have their own treatment plan with specific, measurable and comprehensive goals and objectives. The youth, biological and/or any identified family, support systems, and treatment team will develop the service plan. Daily schedules will include a variety of group sessions aimed at understanding family systems, trauma, stabilizing symptoms, promoting coping skills, and transition planning and preparation. Staff will be trained in crisis prevention, de-escalation, and management and emergency intervention to prevent destabilization and the need for inpatient care. The STAACC provider will be expected to adopt innovative therapeutic activities in response to the both the youth and biological or surrogate family's culture and preferences.

Finally, treatment will focus on ensuring successful linkage to aftercare treatment and discharge environment. At this stage of treatment, the youth will have met goals for acute stabilization and will be ready for increased community leaves. Though recreational outings and community activities should be a component of the youth's time throughout STAACC treatment, this activity should greatly increase during the final course of treatment to support readiness for discharge. At this stage of treatment, a discharge environment resource has been developed, family/surrogate family sessions will have been occurring weekly, with the priority being in the home or community setting. Youth who will have a residential discharge plan, such as a group home placement, may have sessions with their identified primary support or may have sessions with a group home, identified as the primary contact. Sessions with these staff/primary contacts may vary from clinical work typically occurring in family therapy but will work to meet the goals identified by the youth, build on his/her strengths, provide consultation to caregiver/supports, and support planning for the youth's discharge

**APPENDIX C: TRADE SECRET AFFIDAVIT**

**Alabama Department of Human Resources**

**AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY**

DEPARTMENT OF \_\_\_\_\_)

)ss.

County of \_\_\_\_\_)

\_\_\_\_\_ (Affiant), being first duly sworn under oath, and representing \_\_\_\_\_ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of \_\_\_\_\_, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # \_\_\_\_\_. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
- (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.
