Originally in stated in RFP:

5.6 Professional Services Pricing

Part II of the vendor pricing sheet found in Appendix G: Vendor Cost Proposal contains the hourly rate pricing that would be charged to the State for professional services not specifically addressed as being a part of the turnkey system or outside of the scope of this RFP, such as a request to add additional benefit types and program areas or a system enhancement request to support new functionality. A per hour price should be provided for each labor category contained in the pricing table, and any other labor category not included within the table but utilized by the Vendor.

Should be stated below:

5.6 Professional Services Pricing
