1.5.3 DEPARTMENT'S RESPONSES

The Department will provide an official written answer by September 20, 2024, to all questions received by the deadline on September 13, 2024. The Department's response will either provide clarification of the applicable issue or be in the form of a correction to this RFP. Vendor questions and the Department's responses, as well as any formal written addendum will be posted on the Department's website at www.dhr.alabama.gov by the close of business on the date listed.

1.6 MANDATORY REQUIREMENTS

Vendors are expected to respond to all the requirements described in this document. The Department will determine whether a vendor's proposal meets the terms of the requirements. Proposals that do not meet all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive. Proposals that do not meet the requirements 1.6.1 through 1.6.8 will be deemed non-responsive and no other consideration will be given. **DO NOT ALTER ANY OF THE FORMS LISTED BELOW OR OTHERWISE INCLUDED/REQUIRED IN THIS DOCUMENT.**

1.6.1 W-9 LEGAL STATUS LETTER OR TAXPAYER IDENTIFICATION NUMBER FORM

Disclosure Statements are available for completion on the Attorney General's web site at www.ago.alabama.gov under *Publications and Forms*. Vendors may also click on the following links for a copy of the Disclosure Statement: (online fill-in) <http://www.ago.alabama.gov/File-AL-Vendor-Disclosure-Statement> when connected to the internet. Vendors must include a completed copy of the Disclosure Statement in their proposals.

1.7 GENERAL REQUIREMENTS

1.7.1 ACCEPTANCE OF STANDARD TERMS AND CONDITIONS

By submitting a response to this RFP, vendors agree to acceptance of the standard terms and conditions of this RFP. Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer by the due date for receipt of written questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the vendor's ability to respond to the RFP or perform the contract.

Note: The Department reserves the right to not enter into a new contract with a current vendor who is under a corrective action plan until all corrective requirements have been met.

1.7.2 UNDERSTANDING OF SPECIFICATIONS AND REQUIREMENTS

By submitting a response to this RFP, vendors agree to an understanding of and compliance with the specifications and requirements described in this RFP.

1.7.3 PRIMARY VENDOR/SUBCONTRACTORS

The primary vendor if a contract is awarded shall be responsible, in total, for all work of any subcontractors. All subcontractors, if any, must be listed in the proposal. The vendor shall not assign, transfer, or subcontract any portion of the contract without the written consent of the Department. The vendor shall be responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by the vendor. Any awards made as a result of this document will create a contractual relationship between the vendor and the Department, not the subcontractor.

1.7.4 VENDOR'S SIGNATURE

An individual authorized to legally bind the organization submitting the proposal must sign the original proposal. The vendor's signature on a proposal in response to this RFP guarantees that the offer has been established without collusion that would preclude the Department from obtaining the best possible service for the best possible price.

1.8 ELECTRONIC SUBMISSION OF PROPOSAL

1.8.1 REQUIRED ELECTRONIC COPY AND DEADLINE FOR RECEIPT OF PROPOSALS

Vendors must submit **one (1)** electronic proposal, with the RFP cover sheet completed with Vendor's name, the RFP title, RFP number, and authorizing signatures to:

Tina Limbaugh, Program Manager

sdhr.procurement@dhr.alabama.gov

Proposals must be received electronically to the Office of Procurement by 12:00 p.m., CST.

1.8.2 FAILURE TO COMPLY WITH INSTRUCTIONS

Vendors failing to comply with these instructions may be deemed non-responsive or subject to point deductions. The Department may also choose to not evaluate and disqualify from further consideration any proposals that do not follow the format described in Section 4: *Proposal Format and Instructions*, are difficult to understand or read, or are missing any requested information.

1.8.3 BUDGET RATE

Vendors *must* respond to this RFP by utilizing the Forms in Section 5.

1.8.4 TIMELY SUBMITTED PROPOSALS

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

1.8.5 LATE PROPOSALS

Regardless of the cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be the Vendor's sole risk to assure delivery at the receptionist's desk at the designated office by the designated time.

SECTION 2: STANDARD INFORMATION

2.0 AUTHORITY

This RFP is issued under the authority of Section 41-4-123 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.). Any awards resulting from this RFP will be made based on stated evaluation criteria. The weight assigned to each criterion denotes the relative importance of that criterion. No criteria, other than that identified in this RFP, will be used.

2.1 VENDOR COMPETITION

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies.

2.2 NONDISCRIMINATION

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, political beliefs or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

2.3 CERTIFICATE OF COMPLIANCE AND E-VERIFY

Only U.S. citizens or foreign citizens who have the necessary authorization to legally work in the United States may be employed to work under any contract with the Department. Vendors must agree to not knowingly employ, hire for employment, or continue to employ an unauthorized alien, and must provide to the Department a certificate of compliance with the Beason-Hammon Alabama Taxpayer and Citizen Protection Act (*Appendix D*).

The United States Citizenship and Immigration Services (www.uscis.gov) provides E-Verify, an internet-based system that allows companies to determine their employees' eligibility to work in the United States. Vendors must participate in the E-Verify program and verify every employee that is required to be verified according to the applicable federal rules and regulations. Vendors must provide documentation to the Department establishing that they are enrolled in the E-Verify program.

Vendors must agree to not knowingly employ, hire for employment, or continue to employ a subcontractor to perform work under a contract that knowingly employs, hires for employment, or continues to employ an unauthorized alien. Any subcontractor hired to perform work under a contract must attest to such by sworn affidavit signed before a notary. Subcontractors must also enroll in the E-Verify program prior to performing any work on a project and must attach to the sworn affidavit documentation establishing that the subcontractor is enrolled in the E-Verify program.

2.4 NO BOYCOTT CLAUSE

In compliance with Act 2016-312, vendors must attest that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.

Vendor hereby verifies that it, without violating controlling law or regulation, does not and will not, during the term of the contract, engage in economic boycotts as the term “economic boycott” is defined in Section 1 of Act 2023-409.

2.5 TERMINATION/ALTERNATIVE RESOLUTION

For any and all disputes arising under the terms of any contract resulting from this procurement, vendors hereto agree, in compliance with the recommendations of the Governor and Attorney General, when considering settlement of such disputes, to utilize appropriate forms of non-binding alternative dispute resolution including but not limited to, mediation by and through the Attorney General’s Office of Administrative hearings or where appropriate, private mediators.

2.6 MERIT SYSTEM EXCLUSION

The vendor is not to be considered a merit system employee and is not entitled to any benefits of the State Merit System.

2.7 IMMIGRATION CLAUSE

By responding to this procurement, the vendor affirms, for the duration of any contract resulting from this procurement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama and any other location. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the contract and shall be responsible for all damages resulting therefrom. (Appendix E)

2.8 PROPOSAL EFFECTIVE PERIOD

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn, or canceled by the Vendor during this period.

2.9 TRADE SECRETS

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a “trade secret” by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor’s legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. If applicable, the Vendor’s Legal Counsel must use the Department of Human Resources “Affidavit for Trade Secret Confidentiality” form when requesting the trade secret claim. The affidavit form (*Appendix C*) is included in this document.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a “right to know” (open records) request from another party.

2.10 PRE-SCREENING AND EVALUATION OF PROPOSALS

2.10.1 PRE-SCREENING

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review, they will be classified “responsive” or “non-responsive”.

However, proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

2.10.2 EVALUATION OF PROPOSALS

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

2.11 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor's expense.

2.12 BEST AND FINAL OFFER

The Department reserves the right to request a "best and final offer" for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their "best and final offer," which must include any and all discussed and/or negotiated changes.

2.13 PUBLIC REQUESTS FOR INFORMATION

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

2.14 COST OF PREPARING A PROPOSAL

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal, or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

2.15 DEPARTMENT'S RIGHTS RESERVED

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. Upon determination such actions would be in its best interest, the Department, in its sole discretion, reserves the right to the following:

2.15.1 PRE-SELECTION DISCRETION

The Department reserves the right at its sole discretion, at any time and for any reason, to reject any or all of the proposals submitted in response to this RFP, or to cancel this RFP, if it is deemed by the Department to be in its best interest to do so.

2.15.2 POST-SELECTION DISCRETION

Upon selection of a proposal, the Department reserves the right, at its sole discretion, at any time and for any reason, to change its decision with respect to the selection and to select another proposal, or to cancel the RFP, if it is deemed by the Department to be in its best interest to do so.

2.15.3 WAIVERS

Notwithstanding the amendment provisions otherwise set forth herein, the Department reserves the right at its sole discretion, to waive any minor irregularity in an otherwise valid proposal which would not jeopardize the overall program and to award a contract on the basis of such a waiver in the event the Department determines that such award is in the best interest of the Department. Minor irregularities are those which will not have a significant adverse effect on the overall program cost or performance.

2.15.4 NEGOTIATIONS

The Department reserves the right to negotiate with any vendor whose proposal is within the competitive range, as specified in the RFP with respect to technical plan and cost, as well as to select a vendor other than the vendor offering the lowest price.

2.15.5 ADOPTION OF IDEAS

The Department reserves the right to adopt to its use all or any part, of a vendor's proposal and to use any idea or all ideas presented in a proposal.

2.15.6 ORAL PRESENTATIONS

The Department reserves the right to require some or all of the vendors to provide oral presentations of their proposals.

2.15.8 NO GUARANTEE OF CONTRACT

Selection of a proposal shall not be binding upon the Department and may or may not, at the Department's sole discretion, result in the Department entering a contract with the vendor if it is in the best interest of Department not to proceed with contract execution.

2.15.9 RIGHT TO INVESTIGATE AND REJECT

The Department may make investigations as deemed necessary to determine the ability of the Vendor to perform the services specified. The Department reserves the right to reject any proposal if the evidence submitted by, or investigation of, the Vendor fails to satisfy the Department that the Vendor is properly qualified to carry out the obligations of the contract. Issuance of this RFP does not constitute a commitment by the Department to select any proposal submitted in response to the RFP, or to award a contract to any vendor who responds to this RFP.

SECTION 3: SCOPE OF PROJECT

3.0 SCOPE OF PROJECT

The Alabama Department of Human Resources (hereinafter referred to as “DHR”) is soliciting Proposals for **Community Based Intervention and Therapy Program (CBIT)** services to children and youth who have emotional and/or behavioral problems or have experienced abuse and/or neglect. These services would be provided in Baldwin, Mobile, Lee, and surrounding counties (Russell, Chambers, Macon, and Tallapoosa).

The purpose of this RFP is to encourage vendors to develop and implement a Community Based Intervention and Therapy Program (CBIT) that will safely prevent children from entering out-of-home care or to reunify them with family as quickly as possible if a period of out-of-home care is necessary.

The principal goal and objectives of the resulting Contract(s) will be to reduce the number of children entering foster care, increase permanency for children in care, and provide therapeutic intervention to families in crisis. The **Community Based Intervention Team (CBIT)** must work with both the child and the caregivers to address issues impacting the stability of the family, meeting an average of at least three times weekly in the home or community, depending on family need, and providing 24-hour on-call crisis support.

3.1 POPULATION SERVED

Program is appropriate for children ranging in age from birth to 18 with services lasting four to nine months depending on referral type. The program should provide services to:

- A child whose family receives prevention services that reduce the likelihood of out- of-home placements or re-entry into Foster Care.
- A child who has exited Foster Care through reunification, guardianship, or adoption who may be at risk of re-entry into Foster Care.
- A child whose family has a substance abuse issue affecting the care and safety of the child or a child born exposed to substances.
- A child whose parent/caretaker has verbalized an inability or unwillingness to continue parenting the child or needs additional support to address the child’s serious psychological and/or behavioral needs. (Not including those living with either parent or in Foster Care).
- Siblings of children in Foster Care who reside at home and have assessed safety concerns.
- Pregnant or parenting youth in Foster Care or those who have recently exited Foster Care.
- A child who would benefit from an expedited exit from State custody and increasing placement stability

3.2 PROGRAM RESPONSIBILITIES

VENDORS MUST ATTEST AND GIVE A DETAILED EXPLANATION IN PROPOSAL OF HOW EACH OF THE RESPONSIBILITIES BELOW WILL BE MET IN ORDER TO BE CONSIDERED FOR A CONTRACT:

APPROACH AND METHODOLOGY: Vendors should provide a detailed description of the work plan and methods to be used that will demonstrate what the Vendor intends to do, the timeframes necessary to accomplish the work, and how the work will be accomplished. The Vendor should outline how the program will achieve expected outcomes for youth and families in the program. Describe in detail how the program will meet the youth and family's needs in the following categories:

- a. Provide Vendor's understanding of the nature of the project and how its proposal will best meet the needs of DHR.
- b. Describe the approach to Project Management Quality Assurance.
- c. Provide proposed Project Work Plan that reflects the approach and methodology, tasks, and services to be performed, deliverables, timetables, timeliness of service response, and staffing.
- d. Describe Vendor's ability to hire and retain qualified staff.
- e. Describe Vendor's ability to ensure all required clearances and background checks as well as ensure proper certifications and licensures are documented and up to date and without concern for all staff, contracted staff, and subcontracted staff at all times.
- f. Describe Vendor's ability to provide support to staff and have coverage plan when staff are absent.

Vendors should provide a detailed description of their organization's abilities to successfully implement a CBIT program, regarding high standards for quality:

- a. Implementing evidence-based practices and/or trauma-informed care models
- b. Willingness to implement best practices and evidence-based interventions according to the science in the field.
- c. Outcomes oriented, as evidenced by tracking status at admission and discharge
- d. Capacity and organizational resources to engage in program implementation
- e. No revocations of accreditation, licensure, or certification indicating organizational issues

Vendors should provide literature support and need documentation. This section must provide a clear description of the nature of the problems of the youth being served. Current research literature must describe the client and client systems, trauma-informed care, and staff education, including the problems confronting the delivery of services to this population. Literature support shall provide the basis for how the Vendor's program will be the most effective model for this population. Information in this section can be pulled from the Vendor's own experience with the population to be served, including successes and difficulties. However, descriptive information, including program design, without the support of research and practice literature, will be deemed insufficient.

Establishing program goals, determining priorities, and developing measurable objectives is a critical aspect of effective program design. Generally, a broad program goal shall be crafted, followed by sub-goals which address the results anticipated for each program component. Each sub-goal will then have a set of objectives which will reflect, with specificity, the measurable attainments anticipated by the specific program component. The goals and objectives shall be based on the needs documentation as described above and be conceptually linked to the evidence-based research and CBIT model provided within the literature review.

STAFF REQUIREMENTS AND QUALIFICATIONS: CBIT teams must include at least one (1) full time Supervisor, four (4) full time CBIT Specialists, two (2) full time Therapists, and a CBIT Family Search and Engagement Specialist. The proposal must also delineate how supervision will be accomplished, both in case-specific and general work performance areas. *Supervisors will not carry a caseload.*

Positioning of staff should consider the recommended 45-mile radius for service delivery.

AVAILABILITY OF SERVICES: CBIT teams will be accessible to act upon referrals, respond to crisis, and be accessible twenty-four (24) hours a day/seven (7) days a week via telephone, cell phone, pager system, and/or email. Vendor must detail how they will be available for afterhours and weekend referrals and occurrences of crisis within case referrals.

Vendors must work with both the child and the caregivers to address issues impacting the stability of the family, meeting an average of three times weekly in the home or community, depending on family needs, and providing 24-hour on-call crisis support. Trauma-informed care is also provided. Services last four to nine months depending on referral type.

PROGRAM REFERRAL PROGRESS: Describe how program referrals will originate and what documentation is expected at the point of referral. Additionally, explain how program criteria and appropriateness of the referral will be determined.

Note: DHR expects youth files to include at a minimum a referral form, current Individualized Service Plan, Comprehensive Family Assessments, Quarterly Assessments, Documentation of Case Debriefs with DHR county staff, IEP, Psychological, current risk assessment, treatment plan, monthly progress notes, and termination plan.

ASSESSMENT AND TREATMENT PLAN DEVELOPMENT: Discuss what assessment instruments will be utilized at intake and how this information, along with the reason for the referral, will contribute to the development of treatment plan. Vendors shall also describe how youth and their families will be included in the treatment planning process. Other factors that will be taken into consideration should also be delineated. Vendor must formulate an individualized treatment plan, and update it as needed, through ongoing

assessment and review.

SPECIALIZED SERVICES AND SUPPORTS: In addition to traditional mental health services and intensive parent interventions, vendors must include highly specialized clinical services. The Contractor will be responsible for providing specialized services including, but not limited to:

- 24-hour Crisis Intervention** – Crisis intervention services are a major component of this program since families often need extra support when learning to address family problems and/or behaviors. Youth and families will have access to an **CBIT Specialist** or Supervisor 24 hours a day, seven days a week by phone via an on-call system and/or in person.

- Intensity** – **CBIT Specialists** strive to hold an average of three sessions per week per family. Sometimes sessions occur more often when families are in crisis, and sometimes less often if there are engagement challenges or if they are nearing the completion of services. However, any decrease in intensity will be stepped out within the treatment plan specifically developed for transition towards **safe case closure**. All sessions should be held face-to-face whenever possible, with telehealth and phone sessions as a back-up, if face-to-face is not possible or when families require more frequent contact.

- Emphasis on Safety & Supervision Planning** – Includes providing safety equipment, as clinically indicated (i.e. fire/smoke detectors, fire extinguishers, lock boxes, trigger locks, door and window alarms, and car steering wheel locks); **CBIT Specialists** will support families with safety assessments and sweeps, as necessary, and will develop, update and review individualized safety plans.

- Family/Youth Engagement** –The family and child are involved in the initial detailed assessment of the referral issues as well as strengths and needs. They are also involved with the creation of goals, which are designed to develop skills in both parents and children to problem-solve in difficult situations (including, but not limited to: school communication, negative peers and getting along with teachers)

- Services for youth with severe mental health needs** – Services will include parent training that focuses on learning how to better manage the child’s mental health issues. The **CBIT Specialist** will connect youth and family with psychiatry and other mental health services, as clinically indicated. In addition to providing 24/7 on-call services for crises, the **CBIT Specialist** completes crisis plans with the parent/caregiver to teach skills that can help prevent crisis situations.

- Managing Problem Behaviors** – Families will be educated on developing strict monitoring and supervision plans for their children. **CBIT Specialists** will provide support to families and will focus on teaching families how to manage more effectively their own and their children’s behavior.

- Community mentors/volunteers** – Families are primarily responsible for modeling positive behavior for their children, but the **CBIT Specialist** identifies support people within the family’s natural environment to create additional positive influences in a child’s life. School teachers, specialists, and community leaders such as church ministers are examples of positive role models who can mentor a child.

- Educational services** – As needed, **CBIT Specialists** will help families access tutoring programs, and parents will learn to advocate for their children’s educational needs in the school system. Services will also focus on family attitudes toward school attendance and completion to reduce truancy and dropout rates.

Family Engagement – Each **CBIT Team** shall include an additional staff person that will perform family searches and family engagement to assist DHR with the **expedited exit** of youth from state custody and increasing placement stability.

Family Search - Vendor will need to detail what systems will be utilized to perform the level of robust family searches that are needed to assist in creating connections, reestablishing relationships when appropriate, and finding relative resources for children who are living in foster care or at risk of coming into foster care.

SERVICE DELIVERY: The Vendors shall describe the process for service delivery in multiple counties. Consideration shall be given to staff location and availability, case load capacity, impact of scheduled and unscheduled leave, geographical location of youth and their families, convenience of service delivery to youth and their families (emphasis on the home setting), engagement plan for resistant or reluctant families, methods used to address issues that may arise after service delivery (i.e., familial disengagement and problematic youth behavior during treatment). Vendors shall also discuss plans to assist youth and their families with needs and crises that may hinder or impede participation in CBIT services (i.e., food, clothing, shelter, etc.). Vendors will meet with families for sessions in the home or in a community setting.

COMMUNICATION AND CASE UPDATES: Vendors shall describe the method, frequency, and content of updates provided to county DHR. At a minimum, updates shall occur monthly and annual summaries shall be submitted.

ENGAGEMENT AND COLLABORATION WITH OTHER SERVICE PROVIDERS: Proposals shall describe the plan for collaboration with other service providers working with youth and their families. This collaboration shall be determined based on individual case needs, protective benefits, continuity of care, and cohesiveness with CBIT services. The process for obtaining release of information documents shall also be described.

CASE CLOSURE AND RECOMMENDATIONS: Vendors shall discuss how case closure is determined, and what criteria is reviewed to determine successful or unsuccessful completion of the program. Proposals shall also describe how post-release recommendations will be determined and communicated to the family and DHR

3.3 PROGRAM COMPONENTS

VENDORS MUST ATTEST AND GIVE A DETAILED EXPLANATION IN PROPOSAL OF HOW EACH OF THE RESPONSIBILITIES BELOW WILL BE MET IN ORDER TO BE CONSIDERED FOR A CONTRACT:

When preparing the program description, extreme care shall be taken to accurately describe the program, services, treatment patterns, etc. Vendors who are awarded contracts will be held responsible for the continued provision of services as described in the Proposal for the entire contract period. If awarded a contract, and the selected vendor chooses to contract with other service providers to meet any of the requirements outlined in the RFP, then a detailed description of those services is required. It is the Vendor's responsibility to ensure the descriptions meet the guidelines noted within this RFP. For example, if a community mental health center will be used to meet the mental health needs of youth, a detailed description of those services and their scope of work is required.

PROGRAM AND CASE AUDITING

- The Proposal shall describe the program methods for internal auditing, including how often the internal auditing will occur.
- Identify staff person or committee responsible for conducting internal audits.
- Describe the method of program evaluation to be used to determine the effectiveness of the program.
- Explain how the audit findings will be used to correct any identified program deficiencies.
- Identify staff person responsible for overseeing the implementation of any corrective action measures.

Note: It is understood and agreed that DHR is authorized to conduct service delivery audits of all Vendors as deemed necessary. This includes any designated DHR personnel and/or parties contracted to provide technical assistance to the agency. The Vendor must make provisions to ensure that DHR and any duly authorized representative of DHR shall have open access to all records (including electronic files and documentation) regarding all features of program administration, program treatment, staff

training/development, and expenditures related to program operation.

MONITORING VISITS: Site visits will be conducted by SDHR-Resource Management. Vendor(s) will be expected to work in collaboration with any duly authorized representative of DHR and provide unimpeded access to all records (including electronic files and documentation), and books of Vendors for audit and compliance purposes pertinent to the contract.

AFTERCARE: Aftercare is the time (3 months as established by DHR) during which the Vendor is tracking to ensure that a permanent placement is viable so that the child will not enter or re-enter care. If a child must re-enter care during this time, continued services must be provided to the family at no additional cost to the Department. The vendor is expected to continue to work with the child/family's ISP team closely and throughout this period.

Proposals must indicate how aftercare will be accomplished to achieve more effective youth and family outcomes.

Proposals are encouraged to be especially specific in identifying how the program will utilize increased frequency and intensity of additional supportive services.

PROGRAM SANCTIONS AND TERMINATION:

While it is a goal of DHR for Vendor(s) to administer a CBIT program that consistently achieves expected outcomes for youth and families in the program, it is necessary to have a system of monitoring to assure program performance at the highest possible level.

Sanctions may be imposed on any provider who fails to adhere to any provision of the RFP and/or contract, either intentionally or through gross negligence. These sanctions will/can be issued by DHR. Sanctions are intended to create a positive change of compliance with the RFP and/or contract and are not intended to cause any negative or detrimental effect on the services available to youth. Continued/repeated sanctions may jeopardize the future of the provider's contract with DHR. Sanctions may include, but are not limited to:

- Develop a corrective plan of action.
- Placement on probationary status
- Monetary/financial sanctions as specified by DHR within the contract document.
- Wholly or partially suspend or terminate the current award for the Vendor's program.
- Take other remedies that are legally available.

As indicated above, repeated sanctions may impact a Vendor's contract with DHR. A contract resulting from this RFP may be terminated by DHR for:

- Failure to comply with provisions of the contract.
- Un-availability of funds.
- Repeated failure to comply with a corrective plan of action.

3.4 REJECT/DISCHARGES

VENDORS MUST GIVE A DETAILED EXPLANATION IN PROPOSAL OF HOW EACH OF THE REQUIREMENTS BELOW WILL BE MET IN ORDER TO BE CONSIDERED FOR A CONTRACT:

- Rejections: A Vendor must accept all appropriate referrals that meet the contract requirements. Vendors should maintain a rejection rate of less than 10% throughout the Contract period.
- Rejections that are rejected due to no available contracted slots will not be counted against the vendor's rejection rate.
- Discharges: A Vendor should not exceed 5% unsuccessful closure rate.

- Closures: A Vendor will be allowed to request case closure if the child moves to a placement category that is not serviced by the CBIT provider (intensive residential care, and programs for sexual predators, active substance addicts and the Intellectually Disabled population) Any immediate closures by the program must either be an ISP team decision or approved by SDHR.

3.5 OUTCOMES AND TRACKING

VENDORS MUST GIVE A DETAILED EXPLANATION IN PROPOSAL OF HOW EACH OF THE OUTCOMES AND TRACKING REQUIREMENTS BELOW WILL BE MET IN ORDER TO BE CONSIDERED FOR A CONTRACT:

To assist in determining the efficacy of CBIT programming, Vendors will be required to collect and track specific outcome measures at case closure and six months follow-up. Those outcome measures must include:

Alabama Department of Human Resources

AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY

DEPARTMENT OF _____)
County of _____) ss.

_____ (Affiant), being first duly sworn under oath, and representing _____ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of _____, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # _____. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
- (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal.
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate, or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying, and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.
