1.6 MANDATORY REQUIREMENTS

Vendors are expected to respond to all the requirements described in this document. The Department will determine whether a vendor's proposal meets the terms of the requirements. Proposals that do not meet all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive. Proposals that do not meet the requirements 1.6.1 through 1.6.8 will be deemed non-responsive and no other consideration will be given. **DO NOT ALTER ANY OF THE FORMS LISTED BELOW OR OTHERWISE INCLUDED/REQUIRED IN THIS DOCUMENT.**

By submitting a response to this RFP, vendors agree to acceptance of the standard terms and conditions of this RFP. Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer by the due date for receipt of written questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the vendor's ability to respond to the RFP or perform the contract.

Note: The Department reserves the right to not enter into a new contract with a current vendor who is under a corrective action plan until all corrective requirements have been met.

1.7.2 UNDERSTANDING OF SPECIFICATIONS AND REQUIREMENTS

By submitting a response to this RFP, vendors agree to an understanding of and compliance with the specifications and requirements described in this RFP.

1.7.3 PRIMARY VENDOR/SUBCONTRACTORS

The primary vendor if a contract is awarded shall be responsible, in total, for all work of any subcontractors. All subcontractors, if any, must be listed in the proposal. The vendor shall not assign, transfer, or subcontract any portion of the contract without the written consent of the Department. The vendor shall be responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by the vendor. Any awards made as a result of this document will create a contractual relationship between the vendor and the Department, not the subcontractor.

1.7.4 VENDOR'S SIGNATURE

An individual authorized to legally bind the organization submitting the proposal must sign the original proposal. The vendor's signature on a proposal in response to this RFP guarantees that the offer has been established without collusion that would preclude the Department from obtaining the best possible service for the best possible price.

1.8 ELECTRONIC SUBMISSION OF PROPOSAL

1.8.1 REQUIRED ELECTRONIC COPY AND DEADLINE FOR RECEIPT OF PROPOSALS

Vendors must submit **one (1)** electronic proposal, with the RFP cover sheet completed with Vendor's name, the RFP title, RFP number, and authorizing signatures to:

Proposals must be received electronically to the Office of Procurement by 12:00 p.m., CST.

1.8.2 FAILURE TO COMPLY WITH INSTRUCTIONS

Vendors failing to comply with these instructions may be deemed non-responsive or subject to point deductions. The Department may also choose to not evaluate and disqualify from further consideration any proposals that do

not follow the format described in Section 4: *Proposal Format and Instructions*, are difficult to understand or read, or are missing any requested information.

1.8.3 STANDARD BUDGET RATE

Vendors *must* respond to this RFP by utilizing the Cost Proposal Form in Section 5.

1.8.4 TIMELY SUBMITTED PROPOSALS

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

1.8.5 LATE PROPOSALS

Regardless of the cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be the Vendor's sole risk to assure delivery at the receptionist's desk at the designated office by the designated time.

SECTION 2: STANDARD INFORMATION

2.0 AUTHORITY

This RFP is issued under the authority of Section 41-4-123 of the Alabama Code (Act 2001-956, 2001 3rd Sp. Sess., p 817, §1.). Any awards resulting from this RFP will be made based on stated evaluation criteria. The weight assigned to each criterion denotes the relative importance of that criterion. No criteria, other than that identified in this RFP, will be used.

2.1 VENDOR COMPETITION

In accordance with 45 CFR 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies.

2.2 NONDISCRIMINATION

In accordance with 45 CFR 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, political beliefs or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

2.3 CERTIFICATE OF COMPLIANCE AND E-VERIFY

Only U.S. citizens or foreign citizens who have the necessary authorization to legally work in the United States may be employed to work under any contract with the Department. Vendors must agree to not knowingly employ, hire for employment, or continue to employ an unauthorized alien, and must provide to the Department a certificate of compliance with the Beason-Hammon Alabama Taxpayer and Citizen Protection Act (*Appendix D*).

The United States Citizenship and Immigration Services (www.uscis.gov) provides E-Verify, an internet-based system that allows companies to determine their employees' eligibility to work in the United States. Vendors must participate in the E-Verify program and verify every employee that is required to be verified according to the applicable federal rules and regulations. Vendors must provide documentation to the Department establishing that they are enrolled in the E-Verify program.

Vendors must agree to not knowingly employ, hire for employment, or continue to employ a subcontractor to perform work under a contract that knowingly employs, hires for employment, or continues to employ an unauthorized alien. Any subcontractor hired to perform work under a contract must attest to such by sworn affidavit signed before a notary. Subcontractors must also enroll in the E-Verify program prior to performing any work on a project and must attach to the sworn affidavit documentation establishing that the subcontractor is enrolled in the E-Verify program.

2.4 NO BOYCOTT CLAUSE

In compliance with Act 2016-312, vendors must attest that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.

Vendor hereby verifies that it, without violating controlling law or regulation, does not and will not, during the term of the contract, engage in economic boycotts as the term “economic boycott” is defined in Section 1 of Act 2023-409.

2.5 TERMINATION/ALTERNATIVE RESOLUTION

For any and all disputes arising under the terms of any contract resulting from this procurement, vendors hereto agree, in compliance with the recommendations of the Governor and Attorney General, when considering settlement of such disputes, to utilize appropriate forms of non-binding alternative dispute resolution including but not limited to, mediation by and through the Attorney General’s Office of Administrative hearings or where appropriate, private mediators.

2.6 MERIT SYSTEM EXCLUSION

The vendor is not to be considered a merit system employee and is not entitled to any benefits of the State Merit System.

2.7 IMMIGRATION CLAUSE

By responding to this procurement, the vendor affirms, for the duration of any contract resulting from this procurement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama and any other location. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the contract and shall be responsible for all damages resulting therefrom. (Appendix E)

2.8 PROPOSAL EFFECTIVE PERIOD

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn, or canceled by the Vendor during this period.

2.9 TRADE SECRETS

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a “trade secret” by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor’s legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. If applicable, the Vendor’s Legal Counsel must use the Department of Human Resources “Affidavit for Trade Secret Confidentiality” form when requesting the trade secret claim. The affidavit form (*Appendix C*) is included in this document.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a “right to know” (open records) request from another party.

2.10 PRE-SCREENING AND EVALUATION OF PROPOSALS

2.10.1 PRE-SCREENING

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review, they will be classified “responsive” or “non-responsive”. However, proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

2.10.2 EVALUATION OF PROPOSALS

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

2.11 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor’s expense.

2.12 BEST AND FINAL OFFER

The Department reserves the right to request a “best and final offer” for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their “best and final offer,” which must include any and all discussed and/or negotiated changes.

2.13 PUBLIC REQUESTS FOR INFORMATION

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

2.14 COST OF PREPARING A PROPOSAL

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal, or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

2.15 DEPARTMENT’S RIGHTS RESERVED

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. Upon determination such actions would be in its best interest, the Department, in its sole discretion, reserves the right to the following:

2.15.1 PRE-SELECTION DISCRETION

The Department reserves the right at its sole discretion, at any time and for any reason, to reject any or all of the proposals submitted in response to this RFP, or to cancel this RFP, if it is deemed by the Department to be in its best interest to do so.

2.15.3 WAIVERS

Notwithstanding the amendment provisions otherwise set forth herein, the Department reserves the right at its sole discretion, to waive any minor irregularity in an otherwise valid proposal which would not jeopardize the overall program and to award a contract on the basis of such a waiver in the event the Department determines that such award is in the best interest of the Department. Minor irregularities are those which will not have a significant adverse effect on the overall program cost or performance.

2.15.4 NEGOTIATIONS

The Department reserves the right to negotiate with any vendor whose proposal is within the competitive range, as specified in the RFP with respect to technical plan and cost, as well as to select a vendor other than the vendor offering the lowest price.

2.15.5 ADOPTION OF IDEAS

The Department reserves the right to adopt to its use all or any part, of a vendor's proposal and to use any idea or all ideas presented in a proposal.

2.16.6 AMENDMENTS

The Department reserves the right to amend the RFP. Except as provided above with respect to "WAIVERS" made by the Department, all amendments to the RFP will be made by written addendum issued by the Department and posted to the web at www.dhr.alabama.gov under this RFP link.

2.15.7 NO GUARANTEE OF CONTRACT

Selection of a proposal shall not be binding upon the Department and may or may not, at the Department's sole discretion, result in the Department entering a contract with the vendor if it is in the best interest of Department not to proceed with contract execution.

2.15.8 RIGHT TO INVESTIGATE AND REJECT

The Department may make investigations as deemed necessary to determine the ability of the Vendor to perform the services specified. This includes the Department's ability to reject the proposal based on negative references.

Providers are expected to create a highly structured environment that can provide for the stabilization and assessment of youth who's well-being and treatment needs require individualized assessment and care.

The program will assess and address the needs of youth new to foster care as well as those youth currently in foster care with challenging behaviors and dispositions that require stabilization of the behavioral health symptoms that place them at risk for disruption of services, increased placement moves, and placement into higher levels of care.

The Department seeks providers with the ability to provide ancillary services to preserve or maintain successful placement stability including, but not limited to individual aide services. The primary outcomes for these youth are safety, permanency, and well-being. All service providers must incorporate these outcomes into their treatment plans and program curriculum. Referrals will require approval from SDHR Resource Management and Family Services. The anticipated length of stay is 60-90 days. Dependent on the unique situation of each youth, the length of stay may be shorter or longer. In situations where a longer stay is determined necessary by the treatment team and ISP team, approval must be obtained by SDHR Resource Management and Family Services. Length of stay will be monitored by SDHR Utilization Review. Residential programs should be modified and individualized to meet the youth's unique set of needs. Discharge requests based on the youth's maximization of benefits of the program should not occur. Other treatment options and modalities should be explored and utilized prior to such requests. The target population of youth may demonstrate severe emotional distress, placement disruption, unpredictable aggression, self-harm, severe impulsivity, severe delinquent behaviors, chronic runaways, display manipulative behaviors, have difficulty maintaining self-control, display poor self-esteem, and have difficulty in accepting authority.

Based on a complete and thorough assessment of the youth, an aftercare plan with recommended discharge environment will be developed and implemented no later than 30 days of referral. The development of the aftercare plan should allow the opportunity for intensive work with family/caregivers and supports in transition planning to establish a successful discharge. The selected CAP vendor, however, will not reject a referral, deny admission, or prematurely discharge a youth because they do not have a secured discharge environment. The Department of Human Resources is committed to partnering with the CAP provider to identify the appropriate, safe, and secure discharge environment for each youth.

Many of the youth suffer from emotional, psychological, behavioral, cognitive, and learning problems. Providers shall utilize a clinical treatment model that is evidenced based and an approach to service delivery that promotes flexible, individualized treatment and clinical needs indicate that they need an intensive level of care. The services are comprehensive, multidisciplinary, multimodal therapies designed to meet the individual needs of youth who have psychiatric disorders.

APPENDIX C: TRADE SECRET AFFIDAVIT

Alabama Department of Human Resources

AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY

DEPARTMENT OF _____)
County of _____) ss.

_____ (Affiant), being first duly sworn under oath, and representing _____ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of _____, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # _____. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
- (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal.
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate, or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying, and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.
