Question #	RFP Section	RFP Heading	Question	Answer
1	3.1	Description of Services	With the no reject/eject rule, are there any exceptions to inappropriate placements?	All placements are approved through Resource Management.
2	5.0	Cost Proposal	Are providers allowed to receive the daily rate of \$56.00, per person served, and then bill Medicaid on top of that? Or do we choose either the daily rate or billing Medicaid as an option?	There is no Medicaid billing allowed.
