Below the video, there's a tip: 'Tip: There are many resources and additional guidance in the CDA Competency Standards books. To purchase the book for your setting and age group, go to CDACouncil.org. You will need items from this book at various points on your CDA journey.' There's also a 'CDA Map' icon.

The screenshot shows the 'Get Support' page. It has a header with a home icon. Below the header, there's a section titled 'Need more information? Select below:' with two columns of buttons. The left column includes buttons for 'I finished my 120 hours with Quorum.', 'I need to find a PD Specialist to do my CDA Verification Visit.', 'I need to schedule my CDA exam.', 'I have a question about my portfolio.', and 'I failed a Quorum course and want to retake it.'. The right column includes buttons for 'What is my deadline for getting my CDA?', 'I'm having technical problems with a Quorum course.', 'I want to buy a CDA Competency Standards book.', 'Who decides which Quorum course I should take first?', and 'Who is responsible for tracking my training hours?'. There are four icons representing different stages: 'Review the CDA Map', 'Watch the CDA Process Video', 'Join the Conversation', and 'Get Support'. The screenshot shows the 'Join the Conversation' page. It has a header with a home icon. Below the header, there's a search bar and a section titled 'Your CDA Journey: How Do You Feel?'. There's a text input field for a comment and a 'Post' button. The Quorum Learning logo is at the bottom right.

The screenshot shows the 'Taking the Exam' page. It has a header with a home icon. Below the header, there's a section titled 'The CDA exam is a time to show your knowledge of the CDA competency standards. If you have completed 450 hours working with children, 120 hours of professional education, and developed a CDA portfolio, you have extensive knowledge and experience. Get a good night's sleep, and you will be ready to take the exam.' There's also a section titled 'The CDA exam is an important part of the credentialing process, but it is only one piece of evidence that the Council takes into consideration. There is no pass/fail score assigned to the exam. It is considered together with the scores from your verification visit.' The Quorum Learning logo is at the bottom right.
