

Need A-RESET?

Local Community Colleges and Career Centers are Here for You!

What is A-RESET?

A-RESET stands for Alabama Resources for Enrichment, Self-Sufficiency, and Employability Training. It is the name of Alabama's Employment and Training program, which provides job preparation services to SNAP recipients who are considered Able-Bodied Adults Without Dependents (ABAWD).

Following a meeting with a case manager, individuals who qualify can participate in career center programs, including some that may help maintain SNAP eligibility. Many of these programs are available under the Workforce Innovation and Opportunity Act (WIOA).

A-RESET is administered by the Alabama Department of Human Resources (DHR) Food Assistance Division in collaboration with the Alabama Network of Family Resource Centers, the Alabama Community College System, and other partners.

Learn more about A-RESET by contacting your local DHR office. Contact information is available at dhr.alabama.gov/county-office-contact.

Call your local community college or Family Resource Center to find services and career opportunities in your area. A list of phone numbers is included on the other side of this flyer.

Services Include...
