Each question must reference the section, page, and item in question. Vendors must submit all questions posed in a single email message to the procurement officer. Questions received after the deadline will not be considered.

### 1.5.3 DEPARTMENT'S RESPONSES

The Department will provide an official written answer by **March 6, 2026**, to all questions received by the deadline on February 20, 2026. The Department's response will either provide all questions with answers. A modification will be posted to the RFP on STAARS.

## 1.6 MANDATORY REQUIREMENTS

Vendors are expected to respond to all the requirements described in this document. The Department will determine whether a vendor's proposal meets the terms of the requirements. Proposals that do not meet all requirements listed in this RFP may be subject to point reductions during the evaluation process or may be deemed non-responsive. Proposals must adhere to the format requirements and must be received by the deadline for electronic receipt of proposals as specified in the Schedule of Events. **DO NOT ALTER ANY OF THE FORMS LISTED BELOW OR OTHERWISE INCLUDED/REQUIRED IN THIS DOCUMENT.**

### 1.7.1 ACCEPTANCE OF STANDARD TERMS AND CONDITIONS

By submitting a response to this RFP, vendors agree to acceptance of the standard terms and conditions of this RFP. Requests for additions or exceptions to the standard terms and conditions including any necessary licenses, or any added provisions must be submitted to the procurement officer by the due date for receipt of written questions and must be accompanied by an explanation of why the exception is being sought and what specific effect it will have on the vendor's ability to respond to the RFP or perform the contract.

***Note:** The Department reserves the right to not enter into a new contract with a current vendor who is under a corrective action plan until all corrective requirements have been met.*

### 1.7.2 UNDERSTANDING OF SPECIFICATIONS AND REQUIREMENTS

By submitting a response to this RFP, vendors agree to an understanding of and compliance with the specifications and requirements described in this RFP.

### 1.7.3 PRIMARY VENDOR/SUBCONTRACTORS

The primary vendor if a contract is awarded shall be responsible, in total, for all work of any subcontractors. All subcontractors, if any, must be listed in the proposal. The vendor shall not assign, transfer, or subcontract any portion of the contract without the written consent of the Department. The vendor shall be responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by the vendor. Any awards made as a result of this document will create a contractual relationship between the vendor and the Department, not the subcontractor.

### 1.7.4 VENDOR'S SIGNATURE

An individual authorized to legally bind the organization submitting the proposal must sign the original proposal. The vendor's signature on a proposal in response to this RFP guarantees that the offer has been established without collusion that would preclude the Department from obtaining the best possible service for the best possible price.

## 1.8 ELECTRONIC SUBMISSION OF PROPOSAL

### 1.8.1 REQUIRED ELECTRONIC COPY AND DEADLINE FOR RECEIPT OF PROPOSALS

Vendors must submit **one (1)** electronic proposal, with the RFP cover sheet completed with Vendor's name, the RFP title, RFP number to:

***Proposals must be received electronically to the Office of Procurement by 12:00 p.m., CST.***

### 1.8.2 FAILURE TO COMPLY WITH INSTRUCTIONS

Vendors failing to comply with these instructions may be deemed non-responsive or subject to point deductions. The Department may also choose to not evaluate and disqualify from further consideration any proposals that do not follow the format described in Section 4: *Proposal Format and Instructions*, are difficult to understand or read, or are missing any requested information.

**1.8.3 COST PROPOSAL FORMS**

Vendors ***must*** respond to this RFP by utilizing the cost proposal forms found in *Appendix E*. These forms will be used as the primary representation of each Vendor's cost and will be used extensively during proposal evaluations. Additional information should be included as necessary to explain in detail the Vendor's cost.

**1.8.4 TIMELY SUBMITTED PROPOSALS**

All timely submitted proposals and materials received in response to this RFP become the property of the Department and will be incorporated into any formal documentation and/or contract resulting from this RFP between the Department and the Vendor.

**1.8.5 LATE PROPOSALS**

***Regardless of the cause, late proposals will not be accepted and will automatically be disqualified from further consideration.*** It shall be the Vendor's sole risk to assure electronic delivery by the designated date and time.

**SECTION 2: STANDARD INFORMATION****2.0 VENDOR COMPETITION**

In accordance with 45 C.F.R. 74.43, the Department encourages free and open competition among Vendors. Whenever possible, the Department will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Department's need to procure technically sound, cost-effective services and supplies.

**2.1 NONDISCRIMINATION**

In accordance with 45 C.F.R. 74.44, no person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department's contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, political beliefs or any other classification protected by Federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department's contractors. Accordingly, all Vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

**2.2 CERTIFICATE OF COMPLIANCE AND E-VERIFY**

Only U.S. citizens or foreign citizens who have the necessary authorization to legally work in the United States may be employed to work under any contract with the Department. Vendors must agree to not knowingly employ, hire for employment, or continue to employ an unauthorized alien, and must provide to the Department a certificate of compliance with the Beason-Hammon Alabama Taxpayer and Citizen Protection Act (*Appendix D*).

The United States Citizenship and Immigration Services ([www.uscis.gov](http://www.uscis.gov)) provides E-Verify, an internet-based system that allows companies to determine their employees' eligibility to work in the United States. Vendors must participate in the E-Verify program and verify every employee that is required to be verified according to the applicable federal rules and regulations. Vendors must provide documentation to the Department establishing that they are enrolled in the E-Verify program.

Vendors must agree to not knowingly employ, hire for employment, or continue to employ a subcontractor to perform work under a contract that knowingly employs, hires for employment, or continues to employ an unauthorized alien. Any subcontractor hired to perform work under a contract must attest to such by sworn affidavit signed before a notary. Subcontractors must also enroll in the E-Verify program prior to performing any work on a project and must attach to the sworn affidavit documentation establishing that the subcontractor is enrolled in the E-Verify program.

**2.3 NO BOYCOTT CLAUSE**

In compliance with Act 2016-312, vendors must attest that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.

Vendor hereby verifies that it, without violating controlling law or regulation, does not and will not, during the term of the contract, engage in economic boycotts as the term "economic boycott" is defined in Section 1 of Act 2023-409.

**2.4 TERMINATION/ALTERNATIVE RESOLUTION**

Vendors must agree that in the event of any dispute between the parties, senior officials of both parties shall meet and engage in a good faith attempt to resolve the dispute. Should that effort fail, and the dispute involves the payment of money, a party's sole remedy is the filing of a claim with the Board of Adjustment of the State of Alabama. For any and all other disputes arising under the terms of this Agreement which are not resolved by negotiation, the parties agree to utilize appropriate forms of non-binding alternative dispute resolution including, but not limited to, mediation. Such

dispute resolution shall occur in Montgomery, Alabama, utilizing where appropriate, mediators selected from the roster of mediators maintained by the Center for Dispute Resolution of the Alabama State Bar.

## **2.5 MERIT SYSTEM EXCLUSION**

The vendor is not to be considered a merit system employee and is not entitled to any benefits of the State Merit System.

## **2.6 IMMIGRATION CLAUSE**

By responding to this procurement, the vendor affirms, for the duration of any contract resulting from this procurement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama and any other location. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the contract and shall be responsible for all damages resulting therefrom.

## **2.7 PROPOSAL EFFECTIVE PERIOD**

All proposals submitted in response to this RFP shall be effective for a 180-day period following the deadline for receipt of proposals as specified in the Schedule of Events and may not be modified, withdrawn, or canceled by the Vendor during this period.

## **2.8 TRADE SECRETS**

As part of the initial evaluation, the procurement officer in charge of this solicitation will review proposals received in response to this RFP, for any information deemed a “trade secret” by the vendor and separate identified parts of proposal from public viewing providing the following conditions have been met: (1) confidential information is clearly marked and separated from the rest of the proposal; (2) the proposal does not contain confidential material in the cost or price section; and (3) an affidavit from a Vendor’s legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. If applicable, the Vendor’s Legal Counsel must use the Department of Human Resources “Affidavit for Trade Secret Confidentiality” form when requesting the trade secret claim. The affidavit form (*Appendix C*) is included in this document.

Information separated out under this process will be available for review only by the procurement officer, the evaluation committee members, and limited other designees. Vendors must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a “right to know” (open records) request from another party.

## **2.9 PRE-SCREENING AND EVALUATION OF PROPOSALS**

### **2.9.1 PRE-SCREENING**

During the pre-screening, proposals will be reviewed to ensure compliance with all general and mandatory requirements. Upon completion of this initial review, they will be classified “responsive” or “non-responsive”. However, proposals may be found non-responsive at any time during the evaluation process if the proposal does not meet the formatting requirements specified in the RFP; if any of the required information is not provided; or the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP. Proposals declared non-responsive, will not receive further consideration.

### **2.9.2 EVALUATION OF PROPOSALS**

All responsive proposals will be evaluated against the stated criteria. However, this does not preclude the Department from any discussions/negotiations or requests for a best and final offer that it may deem necessary to assist in determining the Vendor. In scoring against stated criteria, the Department may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFP responses in terms of differing price, quality, and contractual factors to determine the most advantageous offering to the Department.

**2.10 DISCUSSION/NEGOTIATION AND/OR ORAL PRESENTATION/PRODUCT DEMONSTRATION**

After receipt of all proposals and prior to the determination of the award, the Department may initiate discussions with one or more Vendors should clarification or negotiation be necessary. Vendors may also be required to make an oral presentation and/or product demonstration to clarify their RFP response or to further define their offer. In either case, Vendors should be prepared to send qualified personnel to **Montgomery, Alabama**, to discuss technical and contractual aspects of the proposal. Oral presentations and product demonstrations, if requested, shall be at the Vendor's expense.

**2.11 BEST AND FINAL OFFER**

The Department reserves the right to request a "best and final offer" for this RFP based on price/cost alone, from one or more Vendors if additional information is required to make a final decision. Vendors may be contacted asking that they submit their "best and final offer," which must include all discussed and/or negotiated changes.

**2.12 PUBLIC REQUESTS FOR INFORMATION**

All information received in response to this RFP, including copyrighted material, is deemed public information and will be made available to the public upon requests shortly after the signing of a contract(s) with the exception of: (1) trade secrets meeting the requirements of the Alabama Trade Secrets Act, that have been properly marked, separated, and documented; and (2) any financial information requested by the Department, unless prior written consent has been given by the Vendor.

**2.13 COST OF PREPARING A PROPOSAL**

The Department is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal, or any other costs incurred by the Vendor prior to execution of a contract. All costs are the responsibility of the Vendor.

**2.14 DEPARTMENT'S RIGHTS RESERVED**

While the Department has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the Department to award and execute a contract. Upon determination such actions would be in its best interest, the Department, in its sole discretion, reserves the right to the following:

**2.14.1 PRE-SELECTION DISCRETION**

The Department reserves the right at its sole discretion, at any time and for any reason, to reject any or all of the proposals submitted in response to this RFP, or to cancel this RFP, if it is deemed by the Department to be in its best interest to do so.

**2.14.2 POST-SELECTION DISCRETION**

Upon selection of a proposal, the Department reserves the right, under the approval of the Department of Finance, Division of Procurement, at any time and for any reason, to change its decision with respect to the selection and to select another proposal, or to cancel the RFP, if it is deemed by the Department to be in its best interest to do so.

**2.14.3 WAIVERS**

## SECTION 3: SCOPE OF WORK

### 3.0 QUALITY ENHANCEMENT SERVICES

The Child Care Subsidy Program provides Alabama families equal access to affordable and quality child care services. This program is responsible for directing and approving the development, implementation and administration of all services authorized under the Child Care Subsidy Program in the State of Alabama, including quality enhancement services. This includes interpreting federal and state laws, regulations and requirements; establishing program and funding priorities; promulgating all rules, policies and procedures governing the services to be provided; planning, coordinating and directing all program services.

Early childhood is a critical time for children to develop the skills they will need for the rest of their lives. Research tells us that high quality learning experiences for young children can have a profound effect on their future. The elements of high-quality child care include:

- A. Good health and safety practices.
  - 1) A quality child care setting will have health and safety policies and procedures in place.
  - 2) Child care must occur in safe and healthy environments. A quality child care setting will have staff who are prepared for emergency situations and are trained to respond *appropriately*.
- B. Warm and responsive adult-child interactions.
- C. Developmentally appropriate learning activities.
- D. Activities that ensure that children are developing the literacy, language, pre-reading and numerical skills needed to be successful in school.
- E. Professional development opportunities for providers to obtain the training and education necessary for the implementation of child care programs that ensure that children start school ready to learn; and,
- F. Supportive and respectful caregiver-family relationships.

Priority will be given to programs: 1) with documented success in enhancing child care quality that involve strong collaboration at the local/regional and state level, and which have the potential for state-wide replication; 2) that effectively target the providers in all counties of the specified region; 3) that support providers and parents in providing an environment for children that is rich in language and literacy interactions; 4) that contain an assessment system that will include indicators for measuring outcomes in meeting the aforementioned elements; and 5) that are able to obtain project funding from sources (public and private) in addition to CCDF funds.

**ACCEPTANCE/REJECTION OF PROPOSALS:** The Department reserves the right to accept or reject any or all proposals, wholly or in part, and to make awards in any manner deemed in the best interest of the Department. Proposals will be firm for 180 days, unless stated otherwise in the text of the request for proposal.

**ACCESS AND RETENTION OF RECORDS:** The contractor agrees to provide the Department, Legislative Auditor, or authorized agents, access to any records necessary to determine contract compliance. The contractor agrees to create and retain records supporting the services rendered or supplies delivered for a period of three years after either the completion date of the contract or the conclusion of any claim, litigation, or exception relating to the contract taken by the Department or third party.

**ALTERATION OF SOLICITATION DOCUMENT:** In the event of inconsistencies or contradictions between language contained in the Department's solicitation document and a vendor's response, the language contained in the Department's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the vendor's disqualification and possible debarment.

**ALTERNATE DISPUTE RESOLUTION:** In the event of any dispute between the parties, senior officials of both parties shall meet and engage in a good faith attempt to resolve the dispute. Should that effort fail, and the dispute involves the payment of money, a party's sole remedy is the filing of a claim with the Board of Adjustment of the State of Alabama. For any and all other disputes arising under the terms of this Agreement which are not resolved by negotiation, the parties agree to utilize appropriate forms of non-binding alternative dispute resolution including, but not limited to, mediation. Such dispute resolution shall occur in Montgomery, Alabama, utilizing where appropriate, mediators selected from the roster of mediators maintained by the Center for Dispute Resolution of the Alabama State Bar.

**ASSIGNMENT, TRANSFER AND SUBCONTRACTING:** The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the Department.

**AUTHORITY:** The following request for proposal, limited solicitation, or contract is issued under authority of Section 41-16-72 of the Alabama Code (Act 2001-956, 2001 3<sup>rd</sup> Sp. Sess., p 817, §1.)

**CHARGE BACKS:** The Alabama Department of Human Resources and Medicaid will deduct federal charge backs from future payments.

**COMPLIANCE WITH LAWS:** The contractor must, in performance of work under the contract, fully comply with all applicable federal, department, or local laws, rules and regulations, including the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Any subletting or subcontracting by the contractor subjects' subcontractors to the same provision. The contractor agrees that the hiring of persons to perform the contract will be made based on merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the contract.

**CONSTITUTIONAL PROVISION:** It is agreed that the terms and commitments contained in this Agreement shall not be constituted as a debt of the State of Alabama in violation of Article XI, Section 213 of the Constitution of Alabama, 1901, as amended by Amendment Number 26. It is further agreed that if any provision of this Agreement shall contravene any statute or Constitutional provision or amendment, either now in effect or which may, during the

course of this contract, be enacted, then that conflicting provision in the contract shall be deemed null and void. It is further agreed that as a Department of the State of Alabama, the Department is immune from being made a defendant in any court of law or equity by operation of Art. I, §14, Ala. Const. 1901 (Recomp.), which immunity is not waivable and is not waived by any provision of this contract. Contractor's sole remedy for the settlement of any and all disputes arising under the terms of this contract shall be limited to the filing of a claim with the Board of Adjustment for the State of Alabama. Duplicate to Alternate Dispute Resolution.

**DEBARMENT:** The contractor certifies, by submitting this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the Department.

**DISABILITY ACCOMMODATIONS:** The Department does not discriminate based on disability in admission to, access to, or operations of its programs, services, or activities. Individuals, who need aids, alternative document formats, or services for effective communications or other disability-related accommodations in the programs and services offered, are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

**FACSIMILE RESPONSES:** Facsimile responses will not be accepted for requested for proposals or limited solicitations.

**FAILURE TO HONOR PROPOSAL:** If a vendor to whom a contract is awarded refuses to accept the award (contract) or, fails to deliver in accordance with the contract terms and conditions, the Department may, in its discretion, suspend the vendor for a period of time from entering into any contracts with the Department.

**FORCE MAJEURE:** Neither party shall be responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the non-performing party, so long as such party is using its best efforts to remedy such failure or delays.

**FOREIGN CORPORATIONS (OUT-OF-STATE FIRMS):** Alabama law provides that a foreign corporation (out-of-state company/firm) may not transact business in the state until it obtains a certificate of authority from the Secretary of State, Section 10-2B-15.01, Code of Alabama 1975. To obtain form for a certificate of authority, contact the Secretary of State, Corporation Division, (334) 242-5324. Not having this certificate does not keep the vendor from registering.

**HOLD HARMLESS/INDEMNIFICATION:** The contractor agrees to hold the Department, its elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, causes of action of any kind or character, including the cost of defense thereof, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed or omissions of services or in any way resulting from the acts or omissions of the contractor and/or its agents, employees, representatives, assigns, subcontractors, except for acts of omission resulting from the sole negligence of the Department, under this agreement.

**IMMIGRATION CLAUSE:** By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama and any location. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

**LATE PROPOSALS:** Regardless of cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be solely the vendor's risk to assure delivery at the designated office by the designated time. Late proposals will not be opened and may be returned to the vendor at the expense of the vendor or destroyed if requested.

**MERIT SYSTEM EXCLUSION:** The vendor must not to be considered a merit system employee and is not entitled to any benefits of the State Merit System.

**REGISTRATION WITH THE PURCHASING DIVISION:** Any business intending to transact business in Alabama must register with the Alabama Purchasing Division by completing the Vendor Disclosure Statement. A copy of the Vendor Disclosure Statement can be downloaded from the Purchasing website at [www.purchasing.alabama.gov](http://www.purchasing.alabama.gov).

**SEVERABILITY CLAUSE:** A declaration by any court, or any other binding legal source, that any provision of the contract is illegal, and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually dependent.

**SOLICITATION DOCUMENT EXAMINATION:** Vendors must promptly notify the Department of any ambiguity, inconsistency, or error, which they may discover upon examination of a solicitation document.

**TERMINATION OF CONTRACT:** Either party may terminate the contract for any reason by providing written notification by certified or registered mail, return receipt requested, thirty (30) days prior to the effective date of the said termination if the said party is unable or unwilling to fulfill its obligations, fiscal or otherwise. Said notification shall clearly state the reason(s) for the said termination. The contract is subject to immediate termination with written notice made by first class mail concurrent with the said termination, which clearly states the reason(s) for the said termination, as follows:

- a. Either party may terminate the contract for noncompliance with any of its terms and conditions if such non-compliance is not cured within 30 days after receipt of written notice.
- b. The Department may terminate the contract in the event that funds should not be appropriated for the continued payment of the contract.
- c. The Department may terminate the contract in the event of the proration of the funds from which payment under the contract is to be made.
- d. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be cancelled, and, to the extent permissible by law, the supplier shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the supplies or services delivered under the contract. To the extent permissible by law, this cost of cancellation may be paid from any appropriations available for that purpose. In the event that proration of appropriated funds from which the State is to pay the supplier is declared by the Governor pursuant to Section 41-4-90 of the Code of Alabama, the contractor shall have the option, in addition to the other remedies of the contract, or renegotiating the contract to extend or change payment terms or amounts or terminating the contract. In all circumstances, it is agreed that the terms and commitments of this contract shall not constitute a debt of the State of Alabama in violation of Section 213 of the Constitution of Alabama, as amended.

**UNAVAILABILITY OF FUNDING:** The Department, at its sole discretion, may terminate or reduce the scope of the contract if available funding is reduced for any reason.

**U.S. FUNDS:** All prices and payments must be in U.S. dollars.

**NONDISCRIMINATION IN USDA FEDERALLY ASSISTED PROGRAMS**

1. The CONTRACTOR agrees to Comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), Title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), section I 1c of the Food and Nutrition Act of 2008, as amended (7 U.S.C. 2020). Title II and Title III of the Americans with Disabilities Act (ADA) of 1990 as amended by the ADA Amendments Act of 2008 (42 U.S.C. 12131-12189) as implemented by Department of Justice regulations at 28 CFR part 35 and 36, Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency” (August 11, 2000), and all requirements imposed by the regulations issued by the Department of Agriculture to the effect that, no person in the United States shall, on the grounds of sex, including gender identity and sexual orientation, race, color, age, political belief, religious creed, disability, or national origin, be excluded from participation in, be denied the benefits of, or otherwise subject to discrimination under SNAP. This includes program-specific requirements found at 7 CFR part 15 et seq. and 7 CFR 272.6. To view the USDA Non-discrimination statement, please visit <https://www.fns.usda.gov/civilrights/usda-nondiscrimination-statement-other-fns-programs>.

## **MEANINGFUL ACCESS FOR INDIVIDUALS WITH LIMITED ENGLISH PROFICIENCY (LEP)**

1. Contractors that participate in the SNAP must take reasonable steps to ensure that LEP persons have meaningful access to programs, services, and benefits. This includes the requirement to provide bilingual program information and certification materials and interpretation services to single language minorities in certain project areas. Contractors that do not provide meaningful access for LEP individuals risk violating prohibitions against discrimination based on National Origin in the Food and Nutrition Act of 2008, as amended, Title VI of the Civil Rights Act of 1964 (Title VI) and SNAP program regulations at 7 CFR 272A(b). They also risk noncompliance with the USDA policy guidance titled, “Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against Origin Discrimination Affecting Limited English Proficient Persons”, published in 79 FR 70771-70784 (November 28, 2014). Contractors should develop an implementing plan to address the language assistance needs of the LEP population served. This may include contracting for oral interpretation services, hiring bilingual staff, arranging telephone interpreters and/or language lines, coordinating community volunteers, translating vital documents, and providing written notice that language services are available in appropriate languages. Quality and accuracy of the language service is critical in order to avoid serious consequences to the LEP person and to the recipient. USDA’s 2014 policy guidance includes detailed information on assessing LEP needs, identifying practices for translating documents that will be seen as strong evidence of compliance. LEP needs should be considered in developing budgets and front line staff should understand how to obtain language assistance services. For additional assistance and information regarding LEP matters, please also visit <http://www.lep.gov>.

## **ENSURING EQUAL OPPORTUNITY ACCESS FOR PERSONS WITH DISABILITIES**

1. Contractors must also ensure equal opportunity access for persons with disabilities. This includes ensuring that communications with applicants, participants, members of the public, and companions with disabilities are as effective as communications without disabilities. Contractors that do not provide persons with disabilities equal opportunity access to programs may risk violating prohibitions against disability discrimination in the Rehabilitation Act of 1978, the Americans with Disabilities Act (ADA) of 1990, as amended, and SNAP program regulations. DOJ published revised final regulations implementing Title II and Title III of the ADA on September 15, 2010. These regulations are codified at 28 CFR Part 35 “Nondiscrimination on the Basis of Disability in State and Local Government Services” and 28 CFR Part 36 “Nondiscrimination on the Basis of Disability in Public Accommodations and Commercial Facilities”. In accordance with the implementing regulations, Contractors must provide auxiliary aids and services where necessary to ensure effective communication and equal opportunity access to program benefits for individuals with disabilities. The type of auxiliary aids and services required will vary, but Contractors may not require an individual with a disability

to bring another individual to interpret and may rely on a person accompanying a disabled individual only in limited circumstances. When a Contractor communicates with applicants and beneficiaries by telephone, it must provide text telephone services (TTY) or have access to an equally effective electronic telecommunications system to communicate with individuals who are deaf, hard of hearing, or hearing impaired. Contractors must also ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities. For more information, please visit the ADA website: <http://www.ada.gov>.

  - C. Title IX of the Education Amendments of 1972 (Pub. L. 92-318), as amended, and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R.   - F. For HHS, the Contractor also agrees to comply with the Violence Against Women Reauthorization Act of 2013, as amended, which adds the protected bases of gender identity and sexual orientation.
  - G. The Contractor agrees that compliance with this assurance constitutes a condition of continued receipt of Federal financial assistance, and that it is binding upon the Contractor, its successors, transferees and assignees for the period during which such assistance is provided. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Contractor by the Department, this assurance shall obligate the Contractor, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of

**SECTION 7: DEFINITIONS & STANDARD CONDITIONS**

similar services or benefits. If any personal property is so provided, this assurance shall obligate the Contractor for the period during which it retains ownership or possession of the property. The Contractor further recognizes and agrees that the United States shall have the right to seek judicial enforcement of this assurance.

2. The Contactor shall notify the Department of 1) any lawsuit filed against the Contractor alleging discrimination and 2) a statement describing any civil rights compliance reviews.
3. The Contractor will compile data, maintain records, and submit reports as required to permit effective enforcement of nondiscrimination laws, regulations, policies, instructions, and guidelines. The documentation must meet the minimum standards set forth in the Alabama Department of Human Resources Language Assistance Policy and Civil Rights Policy in effect in the division in which the Contractor is providing services. The Contractor will permit authorized USDA or HHS personnel to review such record books, and accounts as needed during hours operations to ascertain compliance.

### Alabama Department of Human Resources

#### AFFIDAVIT FOR TRADE SECRET CONFIDENTIALITY

DEPARTMENT OF \_\_\_\_\_ )  
 ) ss.  
 County of \_\_\_\_\_ )

\_\_\_\_\_ (Affiant), being first duly sworn under oath, and representing \_\_\_\_\_ (hereafter "Vendor"), hereby deposes and says that:

1. I am an attorney licensed to practice in the State of \_\_\_\_\_, representing the Vendor referenced in this matter, and have full authority from the Vendor to submit this affidavit and accept the responsibilities stated herein.

2. I am aware that the Vendor is submitting a proposal to the Alabama Department of Human Resources for RFP # \_\_\_\_\_. Public agencies in Alabama are required by Alabama law to permit the public to examine documents that are kept or maintained by the public agencies, other than those legitimately meeting the provisions of the Alabama Trade Secrets Act, Alabama Code Section 8-27-1, and that the Department is required to review claims of trade secret confidentiality.

3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:

- (a) trade secrets meeting the requirements of the Act; and
- (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.

4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:

- (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal.
- (b) the proposal may not contain trade secret matter in the cost or price; and
- (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.

5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate, or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying, and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.

If supplier cannot certify this statement, supplier must attach a written explanation for review by the Chief Procurement Officer.

### **35. Merit System Exclusion**

It is understood and agreed that supplier is an independent supplier and as such all services rendered by supplier and its agents and employees thereof shall be as an independent supplier and not as an employee, Merit or otherwise, of the State of Alabama, and supplier or its agents and employees thereof shall not be entitled to or receive Merit System benefits.

**37. Volume of Business**

Except as otherwise stated in this solicitation, the State of Alabama cannot and does not guarantee any volume of business.

**38. Waiver**

The failure of the State of Alabama to require performance of any provisions of this solicitation or resulting contract shall not affect the State's right to require performance at any time thereafter, nor shall a waiver of any breach or default constitute a waiver of any subsequent breach or default nor constitute a waiver of the provision itself.

**By submitting a response, I hereby affirm the following:**

I acknowledge receipt of the solicitation and all amendments (new rounds). I have read the solicitation and agree to furnish each item or service offered at the price quoted. I will comply with all terms and conditions contained within this solicitation. I have not been in any agreement of collusion among suppliers in restraint of freedom of competition by agreement to bid at a fixed price or to refrain from bidding. I further certify that I am not barred from bidding or entering into a contract and acknowledge that the contracting state agency may declare the contract void if this certification is false.
